Information not held

The HCA does not appoint the subcontractors, suppliers or consultants for the DPP. As such, we are unable to provide you with the information you have requested.

In the case of HCA-owned land, the appointment of subcontractors, suppliers and consultants is undertaken by the developer responsible for the delivery of the site. Where the HCA has provided funding for the delivery of affordable housing, such appointments will be made by the Registered Provider in receipt of the funding.

You may wish to visit our website at www.homesandcommunities.co.uk for further details on the role and activities of the HCA, including the different ways in which we help promote the delivery of affordable housing and regeneration.
