

We were asked:

- Q1. Full details of your organisational structure for your ICT Department, including ICT security, infrastructure, risk, governance and compliance – in addition please include names, job titles and email addresses.
- Q2. Full details of your top 20 suppliers of ICT services and a brief description of the nature and values of the contracts held by them – in addition please include top 10 suppliers who deal with security of your back office and infrastructure.

We replied:

- A1. You asked for details about our IT department, our top 20 suppliers of ICT services and their contracts. The Wales Office uses IT services supplied under Ministry of Justice contracts, and we do not hold IT contracts in our own right. You may therefore wish to ask the Ministry of Justice about their contracts and suppliers
