Dear

Request for Information

Thank you for your email dated 14 November 2014 requesting a list of all the land and buildings where the Homes and Communities Agency has a controlling property interest

We interpret your request to mean you would like a list of every asset the Homes and Communities Agency (HCA) owns. The HCA does not hold a 'list' of its entire assets and to create one is likely to exceed the appropriate cost limits set out in the Freedom of Information Act 2000 (in this instance, 18 hours of work / £450). Further, the information is reasonably accessible via Land Registry as all land and property that the HCA owns is registered with them.

You can visit the Land Registry website [here](#) and search their database for the information you require.

If you have any questions regarding this response or any further queries you can contact us at the following addresses and quote your unique reference number found at the top of this letter:
