Subject: LLANBRYNMAIR & CARNEDD WEN

Dear Sirs,
In reference to:-

ELECTRICITY ACT 1989 & TOWN AND COUNTRY PLANNING ACT 1990 THE ELECTRICITY GENERATING STATIONS AND OVERHEAD LINES (INQUIRIES PROCEDURE) (ENGLAND AND WALES) RULES 2007 RE-DETERMINATION OF THE APPLICATION BY RES UK & IRELAND LIMITED ("RES") DATED 27 MARCH 2009 FOR CONSENT TO CONSTRUCT AND OPERATE A 100 MW WIND TURBINE GENERATING STATION IN POWYS, MID- WALES ("LLANBRYNMAIR") RE-DETERMINATION OF THE APPLICATION BY RWE NPOWER RENEWABLES LIMITED ("RWE") DATED 11 DECEMBER 2008 FOR CONSENT TO CONSTRUCT AND OPERATE A 130-250MW WIND TURBINE GENERATING STATION IN POWYS, MID-WALES ("CARNEDD WEN")

My support as before is for the two wind farms mentioned above.

It is sad that this has become a political (Conservative) issue.

I find no reason to have changed my mind regarding onshore wind in fact it is one of the cheapest forms of renewable energy and can only get cheaper as the years pass.

We have an excellent wind resource here in Mid-Wales and is supported by the Welsh government and it is ironic that this application has been overturned in London!

I fully support these wind farms and they should go ahead.

Yours Sincerely,
