1 About the permit

1a Discussions before your application

If you have had discussions with us before your application, give us the reference number or details below.

2 About the Site

2a Tell us in detail where the activities will take place

Please give us the Ordnance Survey National Grid Reference for the site
(for example, ST 12345 67890)

If the site is made up of a number of different activities that are a distance apart, please give us the individual grid references as part of supporting information with this application.

2b For activities that take place over a stretch of the watercourse, rather than in one particular place, please provide an upstream and downstream grid reference (NGR)

Upstream NGR

Downstream NGR

Leave blank if this does not apply.

2c Tell us the name of the watercourse

2d Has a site plan been included within this application?

For activities that are repeated over a longer period, please give us an indication of when and how often they will take place.

4 Supporting Information

4a Please list the plans and documents included with this application

4 Supporting Information, continued

4b Environmental Risk Assessment

Provide a brief summary of the risks that each of your activities pose to the environment, including any measures to mitigate the impact. If you don't think there are any, tell us why.

4c Have you submitted a more detailed environmental risk assessment with this application?

Yes ☐

No ☐

Guidance on what needs to be in an assessment can be obtained by referring to our website or contacting us directly.

5 Management systems

A management system describes what measures you will put in place to manage flood risk, and risks to drainage and the environment. Compliance with a management system will be a condition of any permit.

Does your written management system meet the conditions set out in our guidance?

Yes ☐

No ☐

You can find detailed guidance on management systems on our website. You can get these by calling 03708 506 506 or by downloading them from our website at www.gov.uk/environment-agency.

6 Additional permission or permits

Please tell us about any other planning permissions or other environmental permits that you hold or have applied for in relation to your activities. If you have details on previous public consultation on environmental issues, include this as a separate document in the application.

Leave this section blank if there are none.
