Sustainable Construction Manager (HS2)

January 2016

# CoCP update

---

- **3rd revision draft CoCP** – ES version (November 2013)
- **'Interim' draft CoCP** (unpublished) following Stakeholder consultation (July 2015)
- LA comments received on HS2 responses on draft CoCP (17<sup>th</sup> Dec 2015)
- **4<sup>th</sup> revision draft CoCP** – following HoC Select Committee process (likely March 2016)
- **Final revision CoCP** – Royal Assent

# Key themes from feedback on 3<sup>rd</sup> Draft

---

## Summary:

- **EMS** - forward agenda item in a future EH Sub-Group meeting
- **Community Engagement** – forward agenda item on review of the draft Community Engagement Framework document
- HS2 Ltd review of **Air Quality section** – following U&A's made
- HS2 Ltd review of **N&V section** – following U&A's made
- HS2 Ltd review of **Traffic and Transport section** – following U&A's made

# CoCP update

---

- HS2 responses to comments received in December 2015 to be circulated via spreadsheet (as before) – mid Feb 2015
- Offer still stands of smaller 'workshops' to be held to go through CoCP comments to date, prior to or post publication of 4<sup>th</sup> draft CoCP
- Minor amendments to document following latest set of comments

A decorative graphic consisting of a wide, shallow arc that spans the width of the slide. The arc is composed of two concentric lines: an outer light blue line and an inner orange line, creating a gradient effect.

# Draft Community Engagement Framework

January 2016

# Draft Community Engagement Framework

---

- **Section 5 of CoCP:** *'The nominated undertaker and its contractors will produce and implement a community engagement framework and provide appropriately experienced community relations personnel to implement the framework, to provide appropriate information and to be the first point of contact to resolve community issues. The nominated undertaker will take reasonable steps to engage with the community, particularly focussing on those who may be affected by construction impacts including local residents, businesses, land owners and community resources and the specific needs of protected groups (as defined in the Equalities Act 2010)*

# Draft Community Engagement Framework

---

- **HS2 Community Engagement Strategy** – looks at overall engagement principles and roles and responsibilities through different stages; Hybrid Bill, Design, Phase 1 and Phase 2 and Complaints Handling
- **HS2 Community Engagement Framework** – looks at engagement principles through the construction phase only

# Draft Community Engagement Framework

---

- Roles of the **HS2 Community Relations Team (CRT)**
- Roles of the **Contractor's Community Relations Representative (CRR)**
- **Community Liaison Plan** – produced by the Contractor and sent to the Local Authority in advance of works starting on site
- **Advance notification of works** – details on how / when this would be undertaken

# Draft Community Engagement Framework

---

- **Complaints and Enquiries** – HS2 helpdesk and website, those received by the Contractor
- **HS2 Construction Commissioner** - further information in IP G3
- **Pre- and Post-construction defect surveys and property matters**
- **Local community initiatives and liaison**

# Draft Community Engagement Framework

---

- Remain in draft until Royal Assent
- Circulate document for review and comment following Planning Forum
- Comments to be received by end February (before March Planning Forum)
