New Burdens payment 2016/17 for Pension Credit Assessed Income Period Reform

Introduction

- This circular is to inform you of funding that will be allocated to local authorities (LAs) as a result of Pension Credit Assessed Income Period (AIP) Reform. We previously advised you of this in Bulletin <u>HB G4/2016</u>.
- 2. The funding is intended to meet New Burdens incurred by LAs as a result of the removal of AIPs.
- 3. The Department for Work and Pensions (DWP) Ageing and State Pensions Analysis Division compared forecasts of the expected number of Housing Benefit (HB) changes with and without AIP abolition and calculated the difference between the two. This was then used to determine the impact on HB. It is estimated that approximately 62.5% of changes impacting HB will require an LA action with around 37.5% of changes being processed with minimum LA action in certain circumstances.
- 4. LAs apply the same rules as DWP for HB cases with an AIP, in that the customer doesn't have to notify them of any changes for the period of the AIP. This results in an extra burden, as LAs will get more changes through the abolition of AIPs.
- 5. In summary, it is recognised that as a consequence of the early ending of the AIP there will be additional customer contact with LAs for the five year period 2016/17 to 2020/21 amounting to £2.5 million.

Funding details

6. LA will receive £2.5 million for the period 2016 to 2021. Details of annual payments are provided below. Distribution of individual LA payments will be based on the Pensioner HB caseload in each LA.
