Subject: The First Minister's visit

Dear [Name of a third party]

I am aware that the First Minister will be meeting Carrie Lam and will do some Scottish business related events. I would though recommend that you or your colleagues in Hong Kong make contact with the Scottish government which is leading on the programme. I am not in touch with them so do not have a contact.

Best regards,

Dear [FCO OFFICIAL]

I wonder if there is any update on the First Minister of Scotland's visit? It appears that there is something in public domain.
