Dear Professor Iversen,

Re: Consolidation of the Misuse of Drugs (Designation) Order 2001

I am grateful for the Advisory Council's letter dated 11 March about the proposal to consolidate the Misuse of Drugs (Designation) Order 2001.

I note the Advisory Council's support for the consolidation exercise and the benefits that the exercise will deliver for the public and professionals in the research sector.

I have asked my officials to prioritise this work for completion by the end of this Parliament and to keep you informed of their progress.

Yours sincerely
