Introductory note

This introductory note does not form a part of the notice.

The following notice gives notice of the surrender in part of an environmental permit.

The low risk part surrender is for a plot of land which currently has no scheduled activity upon it and has not been utilised during the lifetime of the permit. The land is being surrendered for future development by others for a BOC CO₂ Plant. The BOC CO₂ plant will utilise the CO₂ produced by the ethanol plant on the Cargill plc site.

Any changes made as a result of the part surrender are set out in the schedules.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
