

[REDACTED]

19. Finally, Sir, may I say how grateful my various Deputies and I have been for the sympathetic support we have enjoyed from the Department? No one could have been more helpful than our colleagues in Croydon. Nothing has been too much trouble for them and it is largely thanks to them that we are as well established as we are.

20. I am sending copies of this Despatch to Her Majesty's Ambassadors at Moscow, Riga, Vilnius, Helsinki, Kiev, UKREP Brussels and UKDEL NATO.

I am Sir
Yours faithfully

B B Low
