

The proposal to enter re-election is a serious  
the windjam application for Hanburyman &  
Caeredd Wen is against the wishes of the  
majority of the people living in this beautiful  
unspoilt part of the Country. They deserve  
this area for very little shall ever gain  
The country will be scared. Surely all  
the money invested in these projects would  
be better spent on Solar panels especially on  
all commercial buildings
