

Permitting decisions

Surrender

We have decided to accept the surrender of the permit for Sandstop Recycling operated by Sandstop Quarries Ltd.

The permit number is EPR/DB3405CP.

We are satisfied that the necessary measures have been taken to avoid any pollution risk and to return the site to a satisfactory state. We consider in reaching that decision we have taken into account all relevant considerations and legal requirements.

Purpose of this document

This decision document provides a record of the decision making process. It summarises the decision making process in the decision checklist to show how all relevant factors have been taken in to account.

This decision document provides a record of the decision making process. It summarises the decision making process in the [decision checklist](#) to show how all relevant factors have been taken into account

Unless the decision document specifies otherwise we have accepted the applicant's proposals.

Read the permitting decisions in conjunction with the environmental permit. The introductory note summarises what the notice covers.

Decision checklist

Aspect considered	Decision
Receipt of application	
Confidential information	A claim for commercial or industrial confidentiality has not been made.
Identifying confidential information	<p>We have not identified information provided as part of the application that we consider to be confidential.</p> <p>The decision was taken in accordance with our guidance on confidentiality.</p>
The site	
Pollution risk	<p>We are satisfied that the necessary measures have been taken to avoid a pollution risk resulting from the operation of the regulated facility.</p> <p>The permitted operation has never commenced.</p>
Satisfactory state	<p>We are satisfied that the necessary measures have been taken to return the site of the regulated facility to a satisfactory state.</p> <p>No waste management activities have taken place on the site hence no permitted activities have impacted the underlying land. A Site Condition Report was not a pre-requisite to the issue of the Standard Rules permit.</p> <p>In coming to this decision we have had regard to the state of the site before the facility was put into operation.</p>
