Information request

Are you able to advise regarding the below? I am looking for a breakdown of Council Tax Benefit by Household type for the year 2012/13 for Wales specifically. Or, if these figures are not yet available (are they also to be released mid-Nov?) - perhaps 2011/12. The report I am working on won't be published until next year, and so I would prefer the 12/13 statistics. But if these aren't yet available, it would be good to work with some data in the mean time.

Related to the attached, Table 15a is what I am effectively looking for, but for Wales specifically.
