

FULL LIST OF DATA INCLUDED IN 3 MAY 2017 PUBLICATION

Data for the indicators listed below has been added to the PHOF data tool as part of the May update - see www.phoutcomes.info. All indicators are at England and both tiers of local authorities unless otherwise stated.

Note: Data in this release is a mixture of baseline data and various updates to data as required (where baselines have already been published but more recent/updated data is available) - details are provided below.

	Short title / sub-indicator descriptions	Time period added	Baseline or updated data?	Already in public domain in exact format?
0.2	Differences in life expectancy and healthy life expectancy between communities			
0.2i	Slope index of inequality in life expectancy at birth based on national deprivation deciles within England (Male/Female)	2010-12 to 2013-15	Updated data and revised back series, due to change of IMD used (to 2015) and use of 90+ as upper age band in life expectancy calculation (baseline 2010-12). England only	No, calculated by PHE from data provided by ONS
0.2ii	Number of upper tier local authorities for which the local slope index of inequality in life expectancy (as defined in 0.2iii) has decreased (Male/Female)	2011-13 to 2013-15	Updated data and revised back series, due to changes in 0.2iii (see below) (baseline 2011-13). England only	No, calculated by PHE from data provided by ONS
0.2iii	Slope index of inequality in life expectancy at birth within English local authorities, based on local deprivation deciles within each area (Male/Female)	2010-12 to 2013-15	Updated data and revised back series, due to change of IMD used (to 2015) and use of 90+ as upper age band in life expectancy calculation (baseline 2010-12). LAs (upper and lower tier) only	No, calculated by PHE from data provided by ONS
0.2v	Slope index of inequality in healthy life expectancy at birth based on national deprivation deciles within England	2011-13 to 2013-15	Updated data and revised back series, due to change of	Yes, published by ONS

	Short title / sub-indicator descriptions	Time period added	Baseline or updated data?	Already in public domain in exact format?
	(Male/Female)		IMD used (to 2015) and use of 90+ as upper age band in life expectancy calculation (baseline 2011-13). England only	
0.2vii	Slope index of inequality in life expectancy at birth within English regions, based on regional deprivation deciles within each area (Male/Female)	2010-12 to 2013-15	Updated data and revised back series, due to change of IMD used (to 2015) and use of 90+ as upper age band in life expectancy calculation (baseline 2010-12). Regions only	No, calculated by PHE from data provided by ONS
1.06	Adults with a learning disability / in contact with secondary mental health services who live in stable and appropriate accommodation			
1.06i	Adults with a learning disability who live in stable and appropriate accommodation	2015/16, 2011/12 (males /females only), 2011/12 to 2012/13 (addition of confidence limits)	Updated data, additional back series by gender, and addition of confidence limits to back series data (baseline 2011/12). England, regions and upper tier LAs only. Inequalities data by gender	Yes, published by NHS Digital. PHE adds confidence limits.
1.06ii	Adults in contact with secondary mental health services who live in stable and appropriate accommodation	2015/16, 2011/12 to 2014/15 (addition of confidence limits)	Updated data, and addition of confidence limits to back series data (baseline 2011/12). England, regions and upper tier LAs only. Inequalities data by gender	Yes, published by NHS Digital. PHE adds confidence limits.
1.08	Employment for those with long term health conditions including adults with a learning disability or who are in contact with secondary mental health services			
1.08i	Gap in the employment rate between those with a long-term health condition and the overall employment rate	2013/14 to 2015/16 (addition of confidence limits)	Some revised data due to changes in the NOMIS datasets, and addition of confidence limits to existing data.	No, calculated by PHE from data published by NOMIS
1.08ii	Gap in the employment rate between those with a learning disability and the overall	2015/16, 2012/13 to	Updated data, some revised back	No, calculated by PHE from data

	Short title / sub-indicator descriptions	Time period added	Baseline or updated data?	Already in public domain in exact format?
	employment rate	2014/15 (addition of confidence limits)	series data due to changes in the NOMIS datasets, and addition of confidence limits to back series data (baseline 2011/12). England, regions and upper tier LAs only. Inequalities data by gender	published by NHS Digital and NOMIS
1.08iii	Gap in the employment rate for those in contact with secondary mental health services and the overall employment rate	2015/16, 2012/13 (males /females only), 2012/13 to 2014/15 (addition of confidence limits)	Updated data, some revised back series data due to changes in the NOMIS datasets, and addition of confidence limits to back series data (baseline 2011/12). England, regions and upper tier LAs only. Inequalities data by gender	No, calculated by PHE from data published by NHS Digital and NOMIS
1.11	Domestic abuse			
1.11	Domestic abuse-related incidents and crimes recorded by the police	2015/16	New definition.	No, calculated by PHE from data published by ONS
1.12	Violent crime (including sexual violence)			
1.12i	Violent crime (including sexual violence) - hospital admissions for violence	2009/10-2011/12 to 2013/14-2015/16	Updated data and revised back series due to small changes to the method for consistency (baseline 2009/10-2011/12). Inequalities data by gender	No, calculated by PHE from data provided by NHS Digital
1.16	Utilisation of outdoor space for exercise / health reasons			
1.16	Utilisation of outdoor space for exercise/health reasons	2015/16	Updated data (baseline 2011/12). England, regions and upper tier LAs only.	No, provided by Natural England for the PHOF
2.08	Emotional well-being of looked after children			
2.08ii	Percentage of children where there is a cause for concern	2015/16	Updated data (baseline 2010/11). England, regions and upper tier LAs only	Yes, published by DfE. PHE adds confidence limits
2.10	Self-harm			
2.10ii	Emergency Hospital Admissions for Intentional Self-Harm	2010/11 to 2015/16	Updated data and revised back series	No, calculated by PHE from data

	Short title / sub-indicator descriptions	Time period added	Baseline or updated data?	Already in public domain in exact format?
			due to small changes to the method for consistency (baseline 2010/11). Inequalities data by gender	provided by NHS Digital
2.18	Alcohol-related admissions to hospital			
2.18	Admission episodes for alcohol-related conditions - narrow definition	2008/09 to 2015/16	Updated data and revised back series due to small changes to the method for consistency (baseline 2010/11). Inequalities data by gender	No, calculated by PHE from data provided by NHS Digital
2.19	Cancer diagnosed at stage 1 and 2			
2.19	Cancer diagnosed at early stage (experimental statistics)	2015	Updated data (baseline 2012). Inequalities data by ethnicity	No, calculated by PHE
2.24	Injuries due to falls in people aged 65 and over			
2.24i	Injuries due to falls in people aged 65 and over	2010/11 to 2015/16	Updated data and revised back series due to small changes to the method for consistency (baseline 2010/11). Inequalities data by gender	No, calculated by PHE from data provided by NHS Digital
2.24ii	Injuries due to falls in people aged 65 and over - aged 65-79	2010/11 to 2015/16	Updated data and revised back series due to small changes to the method for consistency (baseline 2010/11). Inequalities data by gender	No, calculated by PHE from data provided by NHS Digital
2.24iii	Injuries due to falls in people aged 65 and over - aged 80+	2010/11 to 2015/16	Updated data and revised back series due to small changes to the method for consistency (baseline 2010/11). Inequalities data by gender	No, calculated by PHE from data provided by NHS Digital
3.03	Population vaccination coverage			
3.03ii	Population vaccination coverage - Selective neonatal BCG vaccination coverage (aged under 1 year) – areas offering universal BCG	2015/16	New indicator. Data for LAs offering universal BCG only	Yes, published by PHE. Confidence limits added for the

	Short title / sub-indicator descriptions	Time period added	Baseline or updated data?	Already in public domain in exact format?
	only			PHOF
3.03xii	Population vaccination coverage - HPV vaccination coverage for one dose (females 12-13 years old)	2015/16	Updated data (baseline 2014/15). England, regions and upper tier LAs only	Yes, published by PHE. Confidence limits added for the PHOF
3.03xvi	Population vaccination coverage - HPV vaccination for two doses (females 13-14 years old)	2015/16	New indicator. England, regions and upper tier LAs only	Yes, published by PHE. Confidence limits added for the PHOF
3.06	Public sector organisations with a board approved sustainable development management plan			
3.06	NHS organisations with a board approved sustainable development management plan	2015/16	Updated data (baseline 2010/11). England, regions and upper tier LAs only	No, calculated by PHE from data provided by Sustainable Development Unit
3.08	Antimicrobial Resistance			
3.08	Adjusted antibiotic prescribing in primary care by the NHS	2016	Updated data (baseline 2015).	No, calculated by PHE from data provided by NHS BSA and NHS Digital
4.14	Hip fractures in people aged 65 and over			
4.14i	Hip fractures in people aged 65 and over	2010/11 to 2015/16	Updated data and revised back series due to small changes to the method for consistency (baseline 2010/11). Inequalities data by gender	No, calculated by PHE from data provided by NHS Digital
4.14ii	Hip fractures in people aged 65 and over - aged 65-79	2010/11 to 2015/16	Updated data and revised back series due to small changes to the method for consistency (baseline 2010/11). Inequalities data by gender	No, calculated by PHE from data provided by NHS Digital
4.14iii	Hip fractures in people aged 65 and over - aged 80+	2010/11 to 2015/16	Updated data and revised back series due to small changes to the method for consistency (baseline 2010/11). Inequalities data by gender	No, calculated by PHE from data provided by NHS Digital

The following indicators have been updated in PHOF since the previous update on February 7th, in order to keep them consistent with other PHE Official Statistics products:

	Short title / sub-indicator descriptions	Time period added	Baseline or updated data?	Already in public domain in exact format?
2.01	Low birth weight of term babies			
2.01	Low birth weight of term babies	2015	Updated data (baseline 2010).	Yes, published by PHE on March 7th, and included in PHOF at that time
2.04	Under 18 conceptions			
2.04	Under 18 conceptions	2015	Updated data (baseline 2010).	Yes, published by ONS in March, and included in PHE products (including PHOF) on April 4th
2.04	Under 18 conceptions: conceptions in those aged under 16	2015	Updated data (baseline 2010). England, regions and upper tier LAs only	Yes, published by ONS in March, and included in PHE products (including PHOF) on April 4th

Policy refresh: indicators for 2016 to 2019

The Public Health Outcomes Framework was refreshed in May 2016, following a consultation in 2015. Details of the new framework can be found in the [government response to the consultation](#).

Note: More details on the indicators and their sources can be found in the definitions tab of each indicator in the Public Health Outcomes Framework data tool (www.phoutcomes.info).
