For test administration

2017 Key stage 2 English grammar, punctuation and spelling test

The key stage 2 English grammar, punctuation and spelling test consists of 2 papers. The papers must be administered in order. Pupils may have a break between the papers. Test packs must not be opened until pupils are in the test room ready to complete the test, unless early opening is required to meet individual pupils' needs.

Paper 1: questions

The following information explains how to administer the modified large print (MLP) version of the key stage 2 English grammar, punctuation and spelling test Paper 1: questions. There is additional information on GOV.UK about administering MLP tests to pupils. If you have any questions you should check with your headteacher or key stage 2 test co-ordinator before the test begins. Please make sure you follow these instructions correctly in order to ensure that the test is properly administered. Failure to administer the test correctly could result in a maladministration investigation at the school.

Format

This component of the test consists of a single question paper.

Pupils will have 45 minutes, plus up to 100% additional time, to complete the test paper.

Equipment

Pupils will need the equipment below:

- a blue / black pen or dark pencil
- a rubber (optional). However, please encourage pupils to cross out any answers they may wish to change, instead of rubbing them out.

Pupils are not allowed:

- dictionaries
- electronic spell checkers
- bilingual word lists.

Assistance

- You must ensure nothing you say or do during the test could be interpreted as giving pupils an advantage, e.g. indicating that an answer is correct or incorrect, or suggesting the pupil looks at an answer again.
- Administrators should ensure that pupils are able to locate all answer spaces correctly.
- You may explain or rephrase a question provided you do not give away subject-specific information. For example, if a question asks to 'insert a pair of commas,' 'insert' may be explained but not 'commas.'

- You must not give alternative explanations, e.g. explain 'inverted commas' as 'speech marks,' or name punctuation.
- The notes for readers in the English grammar, punctuation and spelling test gives examples of how to read particular types of question in Paper 1: questions.

The examples below illustrate how to deal with some common situations.

Q. What does 'comma' mean?

- **A.** I can't tell you, but think hard and try to remember. We can talk about it after the test.

If any context or words related to a question are unfamiliar to a pupil, you may show them related objects or pictures, or describe the related context.

Guidance for specific questions

No additional guidance is needed to administer this component of the test.

Before the test begins

Review the list of pupils with particular individual needs, e.g. how much additional time a pupil may need, or who may need a scribe or a transcript made at the end of the test.

Ensure you know how to administer any access arrangements correctly. Please refer to the 2017 key stage 2 access arrangements guidance.

Check there are enough administrators to maintain adequate supervision for the test. You should consider the possibility of at least one test administrator needing to leave the room with a pupil.

Ensure you understand how to deal with issues during the tests.

Write the school's name and DfE number on a board that is visible to all pupils.

Leave space on the board to write the start and finish times of the test.

How to deal with issues during the test

It is impossible to plan for every scenario. Whatever action you take, pupil safety must always be your first consideration.

In the following circumstances you will need to stop the test either for an individual pupil or for the whole cohort:

- test papers are incorrectly collated or the print is illegible
- an incorrect test has been administered
- a fire alarm goes off
- a pupil is unwell
- a pupil needs to leave the test room during the tests
- a pupil is caught cheating.

If you need to stop the test:

- make a note of the time
- make sure pupils are kept under test conditions and that they are supervised
- if pupils have to leave the room, ensure they don't talk about the test
- speak to your test co-ordinator or a senior member of staff for advice on what to do next
- consider contacting the national curriculum assessments helpline on 0300 303 3013 for further advice.

You should brief your headteacher on how the incident was dealt with, once the test is over.

What to do at the start of the test

Check that pupils don't have mobile phones or other disruptive items.

Check that pupils don't have any materials or equipment that may give them extra help.

Check that seating is appropriately spaced and that no pupil can see another pupil's answer booklet.

Ensure each pupil that needs it has 1 MLP copy of Paper 1: questions.

- Make sure you have collected every test. Return them immediately to the senior members of staff who are responsible for collating the tests.
- Do not look at, annotate or review pupils' answers in any way (unless it is necessary to make a transcript). If you amend or tamper with pupils' answers, it will be considered maladministration and results could be annulled.

Do not keep or photocopy tests for any reason.

What to say at the start of the test

It is important to brief pupils fully at the start of each test. You should use these instructions to introduce Paper 1: questions.

This is the key stage 2 English grammar, punctuation and spelling test Paper 1: questions.

You should have Paper 1: questions in front of you.

You will need a blue / black pen or dark pencil and you may use a rubber for this test.

Write your name, school name and DfE number on the front of your test paper. (If any pupil's name differs to the name provided during pupil registration, instruct the pupil to write both names on the paper.)

Open your test paper to page 3. I will read the instructions to you.

In this booklet, your grammar, punctuation and vocabulary are tested.

There are different types of question for you to answer in different ways.

The space for your answer shows you what type of answer is needed.

For some questions you do not need to do any writing.

Read the instructions carefully so that you know how to answer each question.

Some questions have a line or a box for your answer. This shows that you need to write a word, a few words or a sentence.

The number under each line at the side of the page tells you the maximum number of marks for each question.

You will have 45 minutes, plus your additional time allowance to answer the questions in this booklet.

You should try to answer all of the questions. If you can't answer a question, move on to the next one and return to it later.

Pay particular attention to any instructions within test questions.

If you want to change your answer, put a line through the response you don't want the marker to read.

If you have any questions during the test, you should put your hand up and wait for someone to come over to you. Remember, I can't help you answer any of the test questions.

You must not talk to each other.

Are there any questions you want to ask me now?

I will tell you when you have 5 minutes left. I will tell you when the test is over and to stop writing.

You may now start the test.

What to do at the end of the test

If any pupil needs a transcript, complete it with the pupil at the end of the test, under test conditions. Particular care should be taken to ensure accurate transcriptions are made and the pupil's answers, including spelling, are not corrected or amended.

Ensure you inform your senior member of staff / test co-ordinator if you have made a transcript, or if a pupil has used a scribe, or word processor or other electronic or technical device. This is so they can complete the appropriate online notification.

Make sure you have collected every test. Return them immediately to the senior members of staff who are responsible for collating the tests.

Do not look at, annotate or review pupils' answers in any way (unless it is necessary to make a transcript). If you amend or tamper with pupils' answers, it will be considered maladministration and results could be annulled.
