December 2011)**

**Commencing 14th December 2008
Passenger Change Date – May 2016**

Part 1

Service Level Commitment – General Provisions

1. CONSTRUCTION

- 1.1 This is the Service Level Commitment referred to as “SLC2” in the Franchise Agreement dated 9 July 2007 between the Secretary of State for Transport and Arriva Trains Cross Country Limited (the “Franchise Agreement”). Words and expressions defined in the Franchise Agreement shall, unless the context otherwise requires, have the same meaning when used in this Service Level Commitment.
- 1.2 The following provisions of this Part 1 shall apply in respect of the Service Level Commitment set out in Part 2.

2. DAYS AND TIMES OF DAY

- 2.1 Except to the extent the context otherwise requires, references to a day mean the period commencing at 0200 on one day and ending at 0159 on the following day and references to particular days of the week shall be construed accordingly.
- 2.2 References to periods of times and periods of days include the times and days such periods start and finish.
- 2.3 All references to time are to the twenty-four hour clock.

3. SERVICES

- 3.1 Except where expressly indicated to the contrary, references to services, all services or any part or any proportion of services are to be construed as references to the Passenger Services (or the relevant part or proportion thereof) required to be included by the Franchisee in its Timetable pursuant to Schedule 1.1 of the Terms and do not include such additional railway passenger services as the Franchisee may be permitted to provide from time to time under the Franchise Agreement.
- 3.2 Except where expressly indicated to the contrary, where an interval or frequency is specified for a service, such specification shall apply at the departure point for the relevant service.
- 3.3 Except where expressly indicated to the contrary, all services are to run in both directions and the requirements of the Service Level Commitment (including any interval between services, frequency of service or stopping pattern) are to apply in each direction.

4. STATIONS/SERVICE EXTENSIONS

- 4.1 Except where expressly indicated to the contrary and subject always to compliance with the other provisions of the Service Level Commitment (including any maximum Journey Times) and the Franchise Agreement nothing in the Service Level Commitment shall prevent services which are required to be included by, or on behalf of, the Franchisee in the Timetable pursuant to Schedule 1.1 of the Terms calling at any stations which are not specified in the Service Level Commitment or any relevant part of it.
- 4.2 The Franchisee may designate any station, at which a service calls, as a Request Stop Station, where such service need only call when a passenger or intending passenger wishes to join such service or leave such service at such station. Any such designation by the Franchisee shall be clearly advertised in advance to intending passengers (including in the timetable).
- 4.3 Where a station is served by less than 80 per cent of services on a particular Route, that station shall be deemed to be a Limited Stop. All stations receiving a service of more than 80 per cent of services on a particular Route shall not be considered Limited Stop stations.
- 4.4 From time to time within a particular route or group of services, the Franchisee shall be required to extend services beyond the usual termination point. For example, the Plymouth to Edinburgh flow shall require extensions within the day to Dundee and Aberdeen.

5. CONNECTIONS

- 5.1 Except where expressly indicated to the contrary, a service that is required to be included in the Timetable, shall be provided so as to enable travel between the stations specified without passengers being required to change train. Where a service may be provided by a Connection or where a Connection is required to be provided between two services, such service or combination of services may be provided without change of train being required.
- 5.2 Except where expressly indicated to the contrary, where Connections are required to be provided by the Franchisee, the Franchisee shall ensure that the interval or waiting period between the two relevant services is of a sufficient duration to allow passengers a reasonable period of time to transfer between such services.
- 5.3 Except where expressly indicated to the contrary, where services are subject to maximum Journey Times, such Journey Times shall not apply where the services are required to be, or may be, provided by Connections.

6 BANK HOLIDAYS

The level of service required to be included in the Timetable for the following days shall, except to the extent the Secretary of State otherwise agrees, be as follows:

24 December:	Services may be wound down for close of service by 2000;
25th and 26th December	No services are required to be operated;
Weekdays falling between Christmas and New Year's Eve:	Weekday service to operate. On the 27th December services may commence at 0800.
New Year's Eve	Services may be wound down for close of service by 2000;
New Year (1st January):	Weekday service to operate, unless otherwise shown in the Service Level Commitment. Services may commence at 0800. A Sunday service may be provided for journeys to and from Scotland but there is no requirement for services to be extended to or originate from stations north of Edinburgh.
Other Bank Holidays:	Weekday service to operate.

7. SERVICE INTERVALS

7.1 Except where expressly indicated to the contrary, where the Franchisee is required to include within the Timetable, services for a specified period (which period shall commence and end with an Early Service or Late Service), with a specified interval between each such service during such period, then the following shall apply:

- (a) the minimum number of services to be included in the Timetable in such period shall be determined in accordance with the following formula:

$$S = \frac{TM}{IM}$$

where:

S is the minimum number of services to be included in the Timetable;

TM is the total minutes in the specified period; and

IM is the number of minutes in the specified interval, rounded down to the nearest whole number;

- (b)^{i ii} the interval between any two services during such period may be extended by:

- (i) five minutes; or,
 - (ii) if greater, an amount of minutes equivalent to one-sixth of the specified interval between each service rounded down to the nearest whole number, subject to the other provisions of this paragraph 7.1 and such extension not exceeding ten minutes;
- (c) the interval between any two services may be reduced, subject to the other provisions of this paragraph 7.1, below the interval between each service required in accordance with paragraph 7.1(a) for such period, by such amount as the Franchisee may determine, provided that the quantum of services is maintained and provided that;
- (d) the interval between services during such specified period shall be such that, for any period which occurs during such specified period and has a duration equivalent to:

$((4 \times SI) + E)$ minutes where:

SI is equal to the specified interval between such services; and

E is equal to the extension permitted to such interval under paragraph 7.1(b),

at least four services shall be included in the Timetable in such period; and

- (e) the intervals between the start of such period of time and the first service in such period (save where such period of time starts with an Early Service) and between the last service in such period and the end of such period (save where such period of time ends with a Late Service) shall each be no more than the interval between each service specified for such period and (save where such period of time starts and/or ends with an Early Service/Late Service) one of such intervals shall be no more than half such interval between each service.

7.2 Except where expressly indicated to the contrary, where one period ends and another period begins immediately thereafter and services are specified at different intervals for each such period, the maximum interval between the last service in the first period and the first service in the second period shall be the longer of the maximum intervals allowed for each such period.

8. ENGINEERING ACCESS

- 8.1 The principles and cyclical programme developed for engineering access will be incorporated into both the Track Access Agreement (TAA) and Rules of the Route (ROTR) for the New Cross Country franchise.
