

Written Ministerial Statement

Operation of the UK's Counter-Terrorist Asset Freezing Regime:

1 April 2017 to 30 June 2017

The Economic Secretary to the Treasury (Stephen Barclay): Under the Terrorist Asset-Freezing etc. Act 2010 (TAFE 2010), the Treasury is required to report to Parliament, quarterly, on its operation of the UK's asset freezing regime mandated by UN Security Council Resolutions 1373 and 1452.

This report covers the period from 1 April 2017 to 30 June 2017. This report also covers the UK implementation of the UN's ISIL (Da'esh) and Al-Qaida asset freezing regime (ISIL-AQ) and the operation of the EU asset freezing regime in the UK under EU Regulation (EC) 2580/2001 which implements UNSCR 1373 against external terrorist threats to the EU.

Under the ISIL-AQ asset freezing regime, the UN has responsibility for designations and the Treasury, through its Office of Financial Sanctions implementation (OFSI), has responsibility for licensing and compliance with the regime in the UK under the ISIL (Da'esh) and Al-Qaida (Asset-Freezing) Regulations 2011.

Under EU Regulation 2580/2001, the EU has responsibility for designations and OFSI has responsibility for licensing and compliance with the regime in the UK under Part 1 of TAFE 2010.

A new EU asset freezing regime under EU Regulation (2016/1686) was implemented on 22 September 2016. This permits the EU to make autonomous Al-Qaida and ISIL (Da'esh) listings. Once a designation is made under this regime it will appear in the table below.
