

## CAST – TEST HOUSES

The Home Office Centre for Applied Science and Technology (CAST) invites test facilities to undertake compliance testing for Home Office type approval of traffic law enforcement devices against the following standards:

- The Speedmeter Handbook\ (Fourth Edition)- Publication Number 15/05
  - Manual Distance/Time Speedmeter Handbook- Publication Number 55/04
  - Automatic Distance/Time Speedmeter Handbook (Second Edition)- Publication Number 02/06
  - The Bus Lane Enforcement Camera Handbook (Second Edition)- Publication Number 41/06
  - The Unlicensed Vehicle Detector Handbook- Publication Number 12/07
  - The Traffic Light Camera Handbook (Second Edition)- Publication Number 56/04
  - The Prohibited Lane Enforcement Camera Handbook- Publication Number 129/16
- and associated handbooks.

Test facilities are invited, in the first instance, to contact CAST to obtain a description of the tests, and the requirements that must be satisfied by any party undertaking this testing. Manufacturers of traffic law enforcement devices may also contact test facilities directly with these requirements. CAST will then need evidence that the facility is able to meet the requirements.

For further information contact:

Dr Vivienne Lyons ([vivienne.lyons@homeoffice.gsi.gov.uk](mailto:vivienne.lyons@homeoffice.gsi.gov.uk) )

or

Dr Ian Humphrey ([ian.humphrey@homeoffice.gsi.gov.uk](mailto:ian.humphrey@homeoffice.gsi.gov.uk) )

Please note:

- This invitation is limited to facilities that have **no commercial interest** in the items being tested.
- A Home Office Non-Disclosure Agreement must be signed prior to a facility being approved.
