Subject: FW: Llanbrynmair and Carnedd Wen proposed windfarm developments - OBJECTION

Dear Sirs

RE-DETERMINATION OF THE APPLICATION BY RES UK & IRELAND LIMITED ("RES") DATED 27 MARCH 2009 FOR CONSENT TO CONSTRUCT AND OPERATE A 100 MW WIND TURBINE GENERATING STATION IN POWYS, MID WALES ("LLANBRYNMAIR")

RE-DETERMINATION OF THE APPLICATION BY RWE NPOWER RENEMABLES LIMITED ("RWE") DATED 11 DECMEBR 2008 FOR CONSENT TO CONSTRUCT AND OPERATE A 130-250MW WIND TURBINE GENERATING STATION IN POWYS, MID WALES ("CARNEDD WEN")

I wish to object strongly to the applications of both of these proposed wind farms.

You have already received representations from our local councils and bodies such as the **Conservation of Upland Powys, the Alliance, Montgomeryshire Against Pylons and Shropshire North Against Pylons** as well as the **MP elected for Montgomeryshire** objecting to these windfarms.

These bodies are representing the people of Montgomeryshire and the surrounding area involved in this, so surely this "**localism voice of objection**" is loud enough for this Government to hear. A Government that stated in 2015 that onshore wind farms must be determined locally and must have local support!

Yours faithfully
