Date received: 19 May 2014

Date of response: 8 July 2014

Information request

Do you have a listings of what makes the ICDGP condition sub group “Mental and behavioural disorders”. Also do you have and counts and rates at a local authority level for these sub groups.

You clarified:

I require just a list of the groups that make up the “Mental and behavioural disorders” sub group

Likewise I would require a count of each of the individual groups that make up the ICDGP condition sub group “Mental and behavioural disorders.

I will no longer require rates as previously requested

DWP response
