Dear Nick,

Further to our conversation last Friday, I hereby confirm Grimsby Renewables Partnership are fully committed in supporting your 'meet the buyer' events.

For your information we can provide assistance in co-ordinating the events giving local businesses the opportunity to understand your business and potential future opportunities as well as giving you the conduit to understand what services can be provided locally.

I look forward to working with you in the coming months in making the events a success.

Yours sincerely

Roger Smith

Chairman
