## Evidence

EVENT 1 – OWC2016 / Bridlington / Organised by Team Humber Marine Alliance

### Who's Attending

ABP (Associated British Ports)

GEV Wind Power

Myton Law Limited

## OWC2016 EVENT PROGRAMME

Thought leaders and key industry figures will discuss the latest developments in the industry including updates on key projects from developers, government organisations, manufacturers, port operators, marine support, vessel owners and operations and maintenance service providers.

The **morning** session with contributions from guest speakers will be followed in the **afternoon** by seminars and workshops on specific subjects. The late afternoon event will see a further chance to network.

**With views along the coast to the Westernmost Rough Wind Farm, The Spa, Bridlington is a very fitting setting for OWC 2016!**

Tuesday, 21st June  
09:15 - 10:30

**A1: Share Fair (open to all)**  
Stream A: Building Your Business  

Be among the first to hear about business development opportunities from major players as identified in the offshore wind industrial strategy partnership between Government and industry. This session will offer attendees a unique opportunity to get a first-hand insight into offshore wind project development plans and a guide to the procurement time scales and processes. At this Offshore Wind Share Fair, there will be presentations from developers and key project partners.
