

Authority	Area	Cost	Description
Barnsley	Y&H	£380,000	Housing and Migration: Activity focused on areas of high concentrations of private rented accommodation being accessed, predominantly, by migrants to Barnsley where there are issues, for example, around the local physical environment, fraud, exploitation and criminal activity. The remit will particularly focus on hearing and responding to concerns of the whole community on the impact of migration and promote understanding of local social, cultural and civic norms.
Bolsover	EM	£1,264,396	Building Resilience: A range of projects that will be focused around Shirebrook and the NG20 postcode area. These will include building community resilience by working with Shirebrook Academy School and the wider community, improvements to the market square, improving access to and quality of private sector housing, raising awareness of UK laws and social norms and increasing access to health related services.
Bradford	Y&H	£1,388,000	Changing Place (Stronger Bradford): Ensuring effective delivery and effective use of public services. Providing English language support, targeted youth work, additional school support and health support workers to enable migrant communities to navigate public services effectively, reducing the demand on and increasing the capacity of children's social services, health services and schools in the local area.
Bristol	SW	£321,750	Carrying out both targeted and reactive rogue landlord and agent enforcement work across the city of Bristol using the full range of housing enforcement powers.

Authority	Area	Cost	Description
Bristol	SW	£180,474	Tackling an increase in migrant rough sleeping and associated anti-social behaviour, by providing support to those with prospects of employment or facilitating supported returns home for those where this is the most appropriate outcome.
Bristol	SW	£126,228	To deliver cohesion activities around Bristol, including events, citizenship workshops, and youth and schools engagement to bring different communities together, promote responsible citizenship, understanding and integration.
Bristol	SW	£174,202	To support development of an ESOL strategy for Bristol & West of England, alongside English language activity and a pilot 'work zone' project to support legal migrants who are keen to work to overcome specific barriers such as conversion of qualifications and particular language support to enable them to gain suitable employment and contribute to the local economy.
Calderdale	Y&H	£430,000	Together Calderdale: Supporting additional youth engagement, English language classes, establishing understanding of local social norms and housing/environmental enforcement, with a ward level focus around central Halifax, Ovenden and Mixenden to benefit the whole community with improved public environment.
Cambridgeshire	East	£283,347	Alcohol Misuse: Reducing alcohol-related crime, improving health outcomes and achieving greater social cohesion in Wisbech and Peterborough.
Carlisle	NW	£89,500	Improving the Private Rented Sector in Botchergate: Tackling rogue landlords through targeted inspection of residential and business premises to tackle substandard housing, poor food hygiene and improve the area for all residents.

Authority	Area	Cost	Description
Fenland	East	£86,400	Migrant Outreach Service: Employing a full time Outreach Worker to respond to the local community's concerns about migrant rough sleeping in Fenland and related issues of employer and landlord exploitation.
Fenland	East	£89,657	Grow it, Cook it, Share it, Compare it: Promoting the interaction and understanding of diverse communities in Wisbech through the growing, cooking and sharing of fresh produce.
Hackney	London	£431,155	Integrated Communities Project: Providing advice, signposting, and engagement, employment training and English lessons for migrants to allow them to contribute to their communities and reduce longer term reliance on public services. Providing capacity building and the training to Council Services and the local voluntary sector to their offer for migrants.
Haringey	London	£33,250	Understanding Haringey's recent and emerging migrant communities: A research project to better understand the issues faced by recently arrived Eastern European communities in Haringey; where they turn to for advice and support; and their relationship with the wider community. This research includes interviews with a wide range of frontline professionals and is training peer researchers from these groups. The research will help to identify interventions which could be used to support more effective integration of these communities and to reduce potential sources of tension. The project will help to develop more effective communications channels, and to provide accurate information about life in the UK. It is the evidence-gathering phase for a wider bid.

Authority	Area	Cost	Description
Harrow	London	£398,160	Harrow Migration Fund: A project to determine the educational needs of new arrivals; increase awareness of social norms, supporting new arrivals to integrate and giving new arrivals health screening.
Hounslow	London	£281,414	Combatting Rogue Landlords: To create a pro-active Housing Enforcement team to identify, inspect and effectively resolve Rogue Landlord issues.
Hounslow	London	£130,000	Data, intelligence and local projects: An initiative to analyse migration data, predict local public service pressure points, and allocate money to projects to alleviate these pressures to the benefit of the whole community.
Leeds	Y&H	£525,000	Standards and Expectations: Establishing community networks in 5 target areas deploying community champions to hear and counter concerns of the wider community and identify better understanding and adherence to social norms and values by new migrant communities. The aim is to encourage more appropriate use of public services.
Lincoln City	EM	£440,846	Vision 2020: Together, Let's Tackle Lincoln's Rogue Landlords: tackling known rogue landlords; employing housing enforcement officers to conduct street surveys and inspections of privately rented homes to improve housing conditions in the private rented sector.
Lincolnshire	EM	£80,630	Mapping, understanding and engaging Lincolnshire's communities: a project to improve local knowledge of the communities in Lincolnshire, identifying areas with high migration in order to help local organisations to work better together to support our communities.

Authority	Area	Cost	Description
Lincolnshire	EM	£160,158	Supporting Migrants to Access Health Care Services and Information: expanding the capacity of a Health Link Worker to include Adults Services to as well as children's services, to continue working with the established Eastern European communities to reduce the burden on health services and improve access, waiting times and aid cohesion.
Luton	East	£240,000	Extending Luton Council's multi-agency Rogue Landlord project to tackle landlords who ignore requirements to license their Houses of Multiple Occupation (HMOs); tackle 'Beds in Sheds' and illegal conversions, and help raise standards in the local private rented housing sector for the whole community.
Luton	East	£310,930	Tackling homelessness amongst eastern Europeans either by supporting them into a sustainable future in the local community through employment, or by facilitating a reconnection to their country of origin.
Manchester	NW	£280,000	Joint targeted inspections (between housing officers, fire officers and immigration enforcement) of rented properties to tackle rogue landlords and poor housing conditions in deprived areas of Manchester where migrants are concentrated, improving conditions for the whole community.
Middlesbrough	NE	£300,000	Supporting Settled Communities: Promoting integrated and resilient communities by providing training on common social and cultural values, facilitating community events, offering small grants to support volunteering and bringing together people of all backgrounds.

Authority	Area	Cost	Description
Middlesbrough	NE	£400,000	Research and mapping project to improve understanding of the changing population in Middlesbrough and wider Teesside area, looking closely at Middlesbrough as a case study to understand needs and help with local service planning.
Middlesbrough	NE	£721,843	Improving attainment and cohesion in schools: Helping schools alleviate pressures associated with a large number of international children arriving within the school year by supporting their smooth transition with additional teaching staff and language support enabling a stronger level of attainment for all children and supporting better community cohesion between children of all backgrounds.
Norfolk	East	£169,376	Voluntary Repatriation Support Service: Providing support to foreign nationals in Norfolk (including families with dependent children) who are contemplating or agreeing to a voluntary return to their country of origin.
Nottingham	EM	£2,435,712	Nottingham Together: activity aimed at making our City better for everyone, focused around tackling rogue landlords, increasing English language support, reducing crime through tackling issues such as modern day slavery, and data mapping and evidence gathering to increase knowledge of local communities in order to target local authority services effectively and support community cohesion.
Peterborough	East	£224,912	Getting to Know You: A project delivered by volunteers from the established resident communities to improve English language skills across the diverse ethnic communities in the Peterborough area.

Authority	Area	Cost	Description
Peterborough	East	£94,200	Social Media Resources: Developing a suite of information, advice and guidance videos to improve the resident and migrant communities' understanding of local services, and rights and responsibilities.
Rotherham	Y&H	£1,307,289	Building Stronger Communities: Rotherham has an overarching strategy around Building Stronger Communities that emphasises that Rotherham is a shared community focusing on ensuring effective delivery and efficient use of public services. Providing English language support to help new migrant communities navigate services more efficiently and enable them to engage more effectively with the resident communities. Tackling exploitative practices such as modern slavery, addressing environmental health issues such as fly tipping, combatting anti social behaviour and criminal behaviour in public places and tackling disruptive behaviour in schools.
Stockport	NW	£67,250	Stockport Stronger Together: Promoting cohesion by improving English language proficiency in bilingual children and adults, and providing opportunities for children and young people from different backgrounds to mix socially and build relationships through a schools linking programme.
Stockport	NW	£64,400	Improving awareness amongst migrant communities of how services work. Training front-line NHS staff on working with migrants to create more efficient, effective services for everyone.
Stockton on Tees	NE	£471,386	Stockton Town Centre – investing in our communities: Tackling Rogue landlords in Stockton town centre, increasing Community English language provision, providing additional language support in schools and supporting additional youth work all to improve community cohesion in Stockton.

Authority	Area	Cost	Description
Suffolk	East	£102,000	Supporting Integration in Suffolk: Delivering a drop in service for migrants to help with issues such as housing, education, access to services and employment, reducing short term pressures on front line services including the need for those services to use interpreters.
Suffolk	East	£135,000	ESOL Provision in Suffolk: Delivering English language courses to meet gaps in local provision, including through workshops covering issues such as rights and responsibilities in the UK to promote integration and community cohesion.
Swindon	SW	£278,700	To improve housing safety and standards in central Swindon including housing and fire inspections and measures to address fly-tipping to improve the local environment for all residents. To also improve community engagement with public services and community projects across Broadgreen.
Thanet	SE	£557,630	Rogue Landlord and Community Cohesion Task Force: to tackle rogue landlords in Thanet and provide English language support to help migrants engage effectively with the local community.
