Ref. FOI2017/05255

Dear Sir/Madam,

Thank you for your email of 2 May 2017 requesting the following information:

"Could you please provide me with a list of the meeting places farms or buildings provided to you by hunts for May / June operating on Salisbury Plain. Training Area for the 2017 season. This should not be a problem as similar information is provided by other Government bodies such as the Forestry Commission and the national Trust for hunts taking place on land they administer."

I am treating your correspondence as a request for information under the Freedom of Information Act 2000 (FOIA).

A search for the information has now been completed within the Ministry of Defence (MOD) and I can confirm no information in scope of your request is held.

Under Section 16 of the Act (Advice and Assistance) you may find it helpful to note the open season for legal permitted forms of hunting on the defence estate is 1 September – 30 April.

If you are not satisfied with this response or you wish to complain about any aspect of the handling of your request, then you should contact me in the first instance. If informal resolution is not possible and you are still dissatisfied then you may apply for an independent internal review by contacting the Information Rights Compliance team, Ground Floor, MOD Main Building, Whitehall, SW1A 2HB (e-mail CIO-FOI-IR@mod.uk). Please note that any request for an internal review must be made within 40 working days of the date on which the attempt to reach informal resolution has come to an end.

If you remain dissatisfied following an internal review, you may take your complaint to the Information Commissioner under the provisions of Section 50 of the Freedom of Information Act. Please note that the Information Commissioner will not investigate your case until the MOD internal review process has been completed. Further details of the role and powers of the Information Commissioner can be found on the Commissioner's website, <http://www.ico.org.uk>.

Yours faithfully,

DIO Secretariat
