Subject: FW: Freedom of Information Request

Dear [REDACTED]

I refer to your request on 8 June under the Freedom of Information Act 2000 for information on how many vehicles have been caught speeding by the average speed cameras on the A66 at Kirkby Thore since they were installed.

I am writing to advise you that, following a search of our paper and electronic records, I have established that the information you requested is not held by Highways England.

We believe that the information you require may be held by Cumbria Constabulary and, if you have not already done so, you may wish to contact them at <https://www.cumbria.police.uk/Home.aspx>.

If you are unhappy with the way we have handled your request you may ask for an internal review. Our internal review process is available at: <https://www.gov.uk/government/organisations/highways-england/about/complaints-procedure>

If you require a print copy, please phone the Information Line on 0300 123 5000; or e-mail info@highwaysengland.co.uk. You should contact me if you wish to complain.

If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be contacted at:
