3. Section 3 - How services will be bought

Digital Marketplace

- 3.1 The Supplier will describe its Services on the Digital Marketplace. It will keep this information updated for the Term of this Framework Agreement.
- 3.2 The Supplier agrees that the prices and other terms quoted in its Digital Marketplace Application won't be increased during the Term of this Framework Agreement, but Suppliers may reduce any of their G-Cloud prices at any time.
- 3.3 The pricing of Call-Off Contracts must be based on the most up-to-date prices on the Supplier's Digital Marketplace Service page.
- 3.4 Discounted pricing periods may be considered on an individual basis and, subject to CCS approval, will be available to all Buyers.
- 3.5 The Supplier will tell any relevant Buyer about their Digital Marketplace offering on the G-Cloud Framework Agreement at the earliest opportunity.
- 3.6 The Supplier agrees that its G-Cloud Services, pricing, and terms and conditions will be on the Digital Marketplace and will be used as part of the evaluation criteria.
- 3.7 Subject to CCS's approval, the Supplier may update, but not materially change, its Digital Marketplace entry or Service Definitions and CCS may ask the Supplier to provide evidence to show that any updates it makes are non-material. These variations must be within scope of the Framework Agreement and Lot it's in. The Supplier can remove any Digital Marketplace entries if it tells CCS in writing.
- 3.8 If the Supplier fails to provide acceptable evidence for any updates to their service offering, CCS will remove the service from the Digital Marketplace and may suspend the Supplier from the Framework Agreement.
- 3.9 The Supplier's Terms and Conditions, submitted as part of its Application, can't be amended during the Term of this Framework Agreement.
- 3.10 Subject to clause 3.2, once the G-Cloud Services have been ordered by a Buyer, the Supplier must maintain the Supplier Terms, including the pricing in the Supplier's Digital Marketplace entry at the time of the Order, for the length of any Call-Off Contract.

Background

- 3.11 All Buyers listed under the OJEU Contract Notice can award a Call-Off Contract under this Framework Agreement.
- 3.12 The Buyer can appoint an agent to act on their behalf.
- 3.13 CCS isn't responsible for the actions of any Buyer.

Process

- 3.14 If a Buyer decides to source G-Cloud Services and any Additional Services through this Framework Agreement it must search on the Digital Marketplace for a capable Supplier and then award its Call-Off Contract using this process and following the Regulations and Guidance.
- 3.15 The initial search will return a long list and the Buyer will use additional keywords to refine the search of Suppliers whose service offerings are capable of meeting the Buyer's requirement.
- 3.16 The additional search will return a short list and the Buyer will review supplier documents (to include Supplier Terms and pricing) on the Digital Marketplace to assess suitability against their requirement. All shortlisted offerings must be evaluated against the same evaluation model.
- 3.17 The Buyer will apply some or all of the evaluation criteria in 3.20 (or use their own weightings) against the Supplier documents (including Supplier Terms and pricing) on the Digital Marketplace, to evaluate the Services offered following the shortlist and determine the Service that best meets their requirements.
- 3.18 The Buyer may choose to use a credit reference agency (CRA) to carry out due diligence before any appointment to assess the Supplier's economic and financial standing. The CRA report will be used to determine the level of financial risk that appointing the Supplier would represent. If the Buyer determines that the Supplier's credit risk is poorer than average the Buyer reserves the right not to award a Call-Off Contract to the Supplier.
- 3.19 The Buyer will appoint a Supplier based on Most Economically Advantageous Tender (MEAT).
- 3.20 Buyers will apply their own weighting to each of the direct award criteria to award the Call-Off Contract to the Supplier:

Criteria number	Direct award criteria
1	Whole-life cost: cost effectiveness; price and running costs
2	Technical merit and functional fit: coverage, network capacity and performance as specified in relevant service levels
3	After-sales service management: help desk, account management function and assurance of supply of a range of services
4	Non-functional characteristics

- 3.21 Buyers may notify all unsuccessful shortlisted suppliers so they can review and improve their Service Descriptions.

4. Section 4 - How services will be delivered

Warranties and representations

- 4.1 The Supplier warrants, represents and undertakes to CCS and each Buyer that:
- it has full capacity, authority and all necessary authorisations, consents, licences and permissions, to enter into and perform its obligations under the Framework Agreement and each Call-Off Contract, including if a Supplier's processes need the consent of its Parent Company

- the Supplier or an authorised representative will sign the Framework Agreement and the Call-Off Contract
- it has used and must continue to use all reasonable endeavours to prevent viruses and malware accessing systems owned by, under the control of, or used by CCS or any Buyer through its own access to these systems
- in entering into this Framework Agreement and any Call-Off Contract, it has not committed, will not commit or agree to commit a Prohibited Act
- it will continue to pay all taxes due to HMRC and won't indulge in 'disguised employment' practices when delivering services under this Framework Agreement
- at the Start Date, it has notified CCS in writing of any Tax Non-Compliance or any Tax Non-Compliance litigation it is involved in
- it will perform all obligations under this Framework Agreement and any Call-Off Contract complying with all Laws
- it will perform its obligations with all reasonable care, skill and diligence, according to Good Industry Practice
- on a Call-Off Start Date, all information, statements and representations in the Application are accurate and not misleading except if the Buyer has been notified in writing before signing the Call-Off Contract

The fact that any provision within this Framework Agreement is expressed as a warranty does not preclude any right of Ending CCS may have if the Supplier breaches that provision.

- death or personal injury caused by its negligence, or that of its Staff
- bribery, Fraud or fraudulent misrepresentation by it or its employees

- 4.6 The Supplier won't be responsible for any injury, loss, damage, cost or expense that is directly caused by the negligence or wilful misconduct of CCS or breach by CCS of its obligations under the Framework Agreement.
- 4.7 CCS's obligations under this Framework Agreement are only in its capacity as a contracting party and won't constrain CCS in any other capacity or lead to any liability to the Supplier under this Framework Agreement where CCS exercises its public duties and powers.
- 4.8 The Supplier's liability to pay any Management Charges due to CCS will be unlimited.
- 4.9 Subject to any liabilities which can't be limited by Law under clause 4.2, each Party's total aggregate liability under this Framework Agreement in each 12-month period during the Term (whether in contract, tort (including negligence), breach of statutory duty or otherwise) will be limited to 125% of the Management Charge paid or payable in the Year the default happened. The Parties agree that these clauses 4.8 to 4.9 (inclusive) won't limit the Supplier's and Buyers' liability under any Call-Off Contract.

Guarantee

- 4.10 If requested by a Buyer, the Supplier must provide a completed Guarantee before the Call-Off Start Date in the form set out in Call-Off Schedule 5.

IR35

- 4.11 The Parties do not intend the Framework Agreement to be used for provision of Services or off-payroll worker recruitment that is Inside IR35.

- 5.3 Not used. Clause removed after supplier 'clarification questions'.
- 5.4 Neither Party will be liable to the other Party for any delay in performing, or failure to perform, its obligations

under this Framework Agreement (other than a payment of money) to the extent that such delay or failure is a result of a Force Majeure event.

- 5.5 A Party will promptly (on becoming aware of the same) notify the other Party of a Force Majeure event, or potential Force Majeure event, which could affect its ability to perform its obligations under this Framework Agreement.
- 5.6 Each Party will use all reasonable endeavours to continue to perform its obligations under the Framework Agreement and to mitigate the effects of Force Majeure. If a Force Majeure event prevents a Party from performing its obligations under the Framework Agreement for more than 60 consecutive Working Days, the other Party can End the Framework Agreement with immediate effect by notice in writing.

Ending on change of control

- 5.9 The Supplier must tell CCS immediately if the Supplier has a change of Control and, provided this does not contravene any Law, will notify CCS immediately in writing of any circumstances suggesting that a change of Control could happen.
- 5.10 CCS may End this Framework Agreement by giving notice in writing to the Supplier within 6 months of CCS either:
- being notified in writing by the Supplier that a change of Control could happen
 - if it hasn't notified CCS, the date that CCS becomes aware that a change of Control could happen
- 5.11 CCS can End this Framework Agreement by giving notice in writing to the Supplier with immediate effect if either:
- CCS determines at its discretion that the change of Control is prohibited under the Regulations
 - CCS's written approval has not been granted before the change of Control and CCS reasonably believes that the change is likely to have an adverse effect on the provision of the Services

Fraud

- 5.12 If the Supplier commits any Prohibited Act, it will be a Material Breach and:
- CCS may End this Framework Agreement
 - Buyers may End their Call-Off Contracts
 - CCS and any Buyer may fully recover any resulting Losses from the Supplier

Notice of fraud

- 5.13 The Supplier must tell CCS immediately and in writing if it suspects that any Prohibited Act has happened, is happening or is likely to happen, except if complying with this provision would mean committing an offence under the Proceeds of Crime Act 2002 or the Terrorism Act 2000.

Consequences of suspension, ending and expiry

- 5.14 Suspension, Ending or expiry of this Framework Agreement won't affect existing Call-Off Contracts. All Call-Off Contracts will remain in force unless they End, are suspended or expire under the terms of the Call-Off Contract.
- 5.15 Even if a notice is served to End this Framework Agreement, the Supplier will continue to fulfil its obligations, including those obligations expressed to be for the Buyer's benefit until the End date or date of expiry of any Call-Off Contract.
- 5.16 The Supplier must continue to provide Management Information and pay the Management Charges due to CCS even if this Framework Agreement Ends, is suspended or expires.

- 5.18 All licences, leases and authorisations granted by CCS to the Supplier under this Framework Agreement will cease when it Ends or expires without the need for CCS to serve notice except if the Framework Agreement states otherwise.

Assurance verification

- 5.19 The Supplier accepts that an Assurance verification process is an important part of the operation of the Framework Agreement. CCS or its agents may check any claims made by the Supplier in their Response and in their Service Definitions. CCS will continue to verify that:
- any information submitted is still an accurate reflection of the actual characteristics of the Supplier and its G-Cloud Service offerings
 - the Supplier's Services remain within scope of the Framework Agreement
 - the Supplier continues to meet the essential qualification criteria established when the Framework Agreement was awarded
- 5.20 Failure of the Assurance verification process by the Supplier will mean that the service will be removed from the Digital Marketplace and the Supplier may be suspended from the Framework Agreement.

6. Section 6 - What you report to CCS

Management information

- 6.1 The Supplier will provide complete and accurate Management Information (MI) to CCS using MI Reports. Suppliers will provide these reports for free and using the template provided by CCS.
- 6.2 CCS must provide the Supplier with the latest MI reporting template. See Framework Schedule 1 for the link to an example MI reporting template.
- 6.3 The Supplier must not use templates from previous months.
- 6.4 The Supplier won't make any amends to the format of the MI reporting template provided by CCS.
- 6.5 CCS has the right at any time and on reasonable notice, to amend the format of the reporting template and its reporting method.
- 6.6 Using the MI report to upload monthly returns to the CCS Management Information System Online (MISO), the Supplier must:

6.9 CCS may consider that an MI Failure has happened if an MI Report:

- contains any material errors or omissions
- is submitted using an incorrect MI reporting template
- isn't submitted by the Reporting Date (including if a nil return should have been filed)
- isn't submitted for the relevant period

6.10 After an MI Failure CCS may issue reminders to the Supplier or require the Supplier to fix mistakes in the MI Report. The Supplier must do this as soon as possible and not more than 5 Working Days after receiving the reminder.

Use of management information

6.11 The Supplier grants CCS a non-exclusive, transferable, perpetual, irrevocable, royalty-free licence to use and to share with any Buyers and Relevant Person any Management Information supplied to CCS for CCS's normal operational activities as a central purchasing body for government.

6.12 If CCS shares the Management Information, any Buyer receiving the information will be informed of its sensitive nature and requested not to disclose it to any person who isn't a Crown body or Buyer.

Admin fees

6.13 If there are 2 or more MI Failures in any 3-month rolling period, CCS will charge the Supplier for the costs (an Admin Fee) of chasing the Supplier to provide the information.

6.14 The Admin Fee is the amount payable by the Supplier to CCS if:

- CCS incurs costs because of incorrect MI
- the MI Report isn't returned within the agreed timescales

6.15 Details of the Admin Fees are available at

https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/382985/MI_admin_fees.xlsx

6.16 By signing this Framework Agreement, the Supplier agrees that the Admin Fees are a fair reflection of the additional costs incurred by CCS due to the Supplier failing to supply the MI as required.

6.17 CCS will tell the Supplier about any Admin Fees and will be entitled to invoice the Supplier admin fees, which will be payable as a supplement to the Management Charge.

6.18 Payment of the Admin Fee won't affect any of CCS's other rights under this Framework Agreement.

Management charge

6.19 The Supplier must pay CCS the Management Charge for setting up and running this Framework Agreement.

6.20 The Management Charge excludes VAT and will be a figure of up to 1% of all Charges for the Services invoiced to Buyers. It is currently set at 0.75% of all Charges invoiced to Buyers but may be increased at CCS's discretion.

6.21 CCS will submit invoices to the Supplier for the Management Charge due each month based on the MI provided by the Supplier, which must be paid by the Supplier within 30 days of the date of the invoice.

- 6.22 The Management Charge applies to the full Charges specified in each order and won't be varied because of any service credits or other deductions.
- 6.23 The Supplier must pay the VAT on the Management Charge.
- 6.24 Interest will be payable on any late payments of the Management Charge under this Framework Agreement as set out in the Late Payment of Commercial Debts (Interest) Act 1998.

 - monitor how the Supplier is complying with the terms of its Digital Marketplace Application
 - carry out any other assessment it considers appropriate
- 6.26 CCS can include the results of Buyer satisfaction surveys on the Digital Marketplace and any Buyer can use those results to make decisions about any contract between the Buyer and the Supplier.

Key performance indicators

- 6.27 Key Performance Indicator Targets that CCS may use to measure the performance of the Supplier on this Framework Agreement are:

KPI number	Performance criteria	Target	Measured by

7.9 Subject to any Confidentiality obligations, the Supplier will use reasonable endeavours to:

- provide audit information without delay
- provide all audit information within scope and give auditors access to Supplier Staff

7.10 The Supplier will allow the representatives of CCS, Buyers receiving Services, the National Audit Office or auditors appointed by the Audit Commission access to the records, documents, and account information referred to in clause 7.7 (including at the Supplier's premises), as may be required by them, and subject to reasonable and appropriate confidentiality undertakings, to verify and review:

7.12 CCS can End this Framework Agreement under Section 5 (Ending and suspension of a supplier's appointment) for Material Breach if either event in clause 7.11 applies.

7.13 Each Party is responsible for covering all their own other costs incurred from their compliance with these audit obligations.

Contract) can be published by CCS and shared with other Buyers. If Confidential Information is shared with other Buyers, CCS will notify the recipient that its contents are confidential.

- 8.90 The Supplier will immediately tell CCS about any security breach of CCS's Confidential Information and will keep a record of those breaches. The Supplier will take all necessary steps to recover this information. The Supplier will co-operate with CCS in any investigation into the breach that CCS considers necessary.
- 8.91 Either Party can use techniques, ideas or knowledge gained during this Framework Agreement unless using them results in unauthorised disclosure of the other Party's Confidential Information or infringes Intellectual Property Rights under this Framework Agreement.

Waiver and cumulative remedies

- 8.92 The rights and remedies provided by this Framework Agreement can only be waived in writing by a Party if intent is clear and will only apply in the specific circumstances outlined here.
