*RE: Re-determination for Llanbrynmair and Carnedd Wen Wind Farms -  
OBJECTION LETTER*

*Dear Sir/Madam*

*The local voice is supposed to be considered when looking at large developments such as these two wind farm projects.*

*Your government in 2015 stressed that local people have to be listened to.*

*The voice of the local people is extremely clear on this - the objections by individuals and councils should leave you in no doubt that the vast majority of people in Montgomeryshire do not want any further large scale industrialisation of the countryside in Mid Wales.*

*Please accept this letter as my objection to these two re-determinations of applications.*

*Yours faithfully*
