Llanbrynmair and Carnedd Wen Wind Farms

deccnic@decc.gsi.gov.uk

To The Secretary of State

I am writing in objection regarding the re-determination of the applications for the wind farm development at Carnedd Wen and Llanbrynmair. I very much appreciate the area where we live and the beautiful countryside that surrounds it. I strongly believe that adding even more windfarms will simply change our landscape negatively and impact on it adversely.

The proposed sites should not be viewed in isolation but should be combined with other existing and proposed windfarm sites to highlight the true picture if this proliferation is allowed to continue. I hope that the WANT of the large companies does not override the NEED of the local people.
