Additional New Burdens funding to meet the costs of implementing welfare reform changes in 2017/18

Introduction

1. This circular is to inform you of additional funding of **£21.2 million** that will be allocated to local authorities (LAs) to support the costs of implementing welfare reform changes in 2017/18.
2. The funding is intended to meet New Burdens incurred by LAs as a result of the ongoing implementation of the following areas of welfare reform:
 - Discretionary Housing Payment (DHP) administration and existing welfare reform funding including:
 - changes to Local Housing Allowance (LHA)
 - Removal of the Spare Room Subsidy (RSRS)
 - restricting Migrant Access to Benefits
 - the limitation of temporary absence outside Great Britain (GB) to four weeks
 - removal of Assessed Income Periods
 - benefit cap

Details

3. In order to provide transparency, a breakdown of the total funding is given below and detailed in Annex A.

Area of activity	Funding distribution based on	Funding (to nearest £0.1million)
DHP administration (England and Wales only) and existing welfare reform funding (GB) including: LHA changes Distribution based on the current LHA caseload in each LA area RSRS Distribution based on the current affected caseload in each LA area		£10.3 million
Limitation of temporary absence outside GB	Distribution based on the Housing Benefit (HB) subsidy caseload in each LA area	£0.5 million
Restricting Migrant Access to Benefits	Distribution based on the HB subsidy caseload in each LA area	£0.5 million

Assessed Income Period	Distribution based on the pensioner caseload in each LA area	£0.4 million
Benefit cap	Distribution based on the expected benefit cap caseload in each LA area	£9.5 million

4. This funding is intended to meet the identified costs arising from the implementation of the above measures in 2017/18.

Future known funding

5. The New Burdens funding for the following welfare reform changes will be notified in due course:
- the limiting of support to 2 children in Child Tax Credit and Universal Credit
 - roll out of Real Time Information service
 - RSRS and Supreme Court ruling
6. This is not exhaustive and there may well be additional policies generating the need for further New Burdens payments as the year progresses. LAs will be informed as soon as this information is available.

Key Points

7. Some LAs will notice that their allocations differ from 2016/17. This is, in part, due to caseload changes from the previous year and the benefit cap funding, which has been reduced for 2017/18 as the 2016/17 funding included additional funding to cover the initial costs of implementing the lower cap.
8. In addition, from April 2017, DHPs are being entirely devolved to the Scottish Government. The Department for Work and Pensions is transferring £1.2 million in DHP Admin for 2017/18 to the Scottish Government, who will communicate individual LA allocations shortly.
9. **The allocation methodology has remained the same as previous years.** Each element of the funding has been distributed amongst LAs on a basis that reflects the likely distribution of costs, as indicated in the table above. The aggregate allocations are included in the attached Annex A.
10. Each LA will receive their allocations in May 2017.

Allocation (£) of additional funding

Note – Allocations to Scottish LAs do not include DHP Administration funding as the DHP scheme has been devolved to the Scottish Government from April 2017.
