Can you indicate the numbers of dogs imported into the UK to Many Tears from and Parameter, Pallas, Gorey, Co Wexford ROI during the above dates or in the past 3 years?

APHA are only able to search for imports to a specific destination using the quick view function in TRACES, which provides data for a rolling 24 month period.

Import date	Number of Animals
28/02/2017	21

To search for information prior to this period (the remainder of your request) we would have to interrogate each individual dog import to establish whether the import involved was Many Tears Animal Rescue.

In any one year there is an average of 30,000 consignments of dogs imported. Section 12(1) of the FOIA allows us to refuse a request for information if we estimate that the cost of complying with the request would exceed the appropriate limit, which currently stands at £600, and equates to 24 hours of staff time. On the basis of our estimates, we consider answering this part of your request would exceed this limit and, as such, we are refusing your request.

Section 16 of the FOIA states APHA should provide reasonable advice and assistance to anyone requesting information. In accordance with Section 16 we have provided some of the information requested in Appendix 1. In addition, if you are particularly interested in the remaining period you may wish to consider narrowing down that part of

the request to focus more clearly on the precise information you are seeking. You could, for example:

Request a specific date

If you were to make a new request for a narrower category of information, it may be that we could comply with that request within the appropriate limit, although we cannot guarantee that this will be the case.

APHA are only able to search for imports from a specific destination using the quick view function in TRACES, which provides data for a rolling 24 month period.

Number of dogs imported to the UK from Newcastle West, Co Limerick, in the last rolling 24 month period is attached in Appendix 2.

None of the consignments on the attached appendix were imported to Many Tears Animal Rescue.

To search for information prior to this period (the remainder of your request) we would have to interrogate each individual dog import to establish whether the import involved the named entity. We have therefore refused this part of your request under section 12 of the FOIA. Details on the application of this exemption are the same as above.

Please note: Information that we have provided here from the TRACES system is a true reflection of the information that we have access to. APHA cannot guarantee the accuracy of this data, as we can only rely on the information that has been input into TRACES by a third party
