

Written examination dates 2017/18: Engineer Officers (Yachts and Sail Training Vessels)

Notice to all Owners, Masters, Engineer Officers and Crews of commercially operated yachts, large private yachts and sail training vessels and those concerned with Maritime Training

*This notice replaces MIN 527 (M) and MIN 527 (M) (Corrigendum) from 1 September 2017
This MIN expires 31 August 2018*

Please Note

Where this document provides guidance on the law it should not be regarded as definitive. The way the law applies to any particular case may vary according to circumstances – for example, from vessel to vessel and you should consider seeking independent legal advice if you are unsure of your own legal position.

Summary

This notice sets out the written examination dates for Merchant Navy Certificates of Competency for the academic year commencing 1 September 2017.

1. Introduction

- 1.1 In accordance with the Maritime and Coastguard Agency (**MCA**) Large Commercial Yacht Code (**LY2**)¹, it has been agreed with industry that Certificates of Competency will be issued for service as Engineer on commercially operated yachts, large private yachts and sail training vessels. A Merchant Shipping Notice explains the background, and application requirements and procedures. Currently that is MSN 1859 (M).
- 1.2 The syllabuses are available on the GOV.UK website. Search for “Yacht Syllabus”
- 1.3 The examinations are administered by the Scottish Qualifications Authority (**SQA**) on behalf of the MCA and are held at their examination centres in the United Kingdom, or by special arrangement at overseas centres. The written examination dates for the academic year

¹ MSN 1792 (M) or any subsequent amendment

commencing 1 September 2017 have been agreed following consultation with various representative organisations of the yachting industry. Annex 1 sets out the pattern of written examinations to be held between 1 September 2017 and 31 August 2018.

1.4 Annex 2 describes scheduled examination dates for:

- Chief Engineer Statutory and Operational Requirements (05102)
- Applied Marine Engineering (05202)
- Advanced Hotel Services and Ship Construction (05402)
- Marine Diesel Engineering (05502)
- Auxiliary Equipment (05602)
- Operational Procedures, Basic Hotel Services and Ship Construction (05702)

1.5 These examinations are also available on demand at the request of a training provider providing a minimum of 14 days' notice where at least 6 candidates are available for a sitting.

1.6 Annex 3 lists the centres where the written examinations administered by the SQA may be taken
