INFORMATION REQUESTED ON CHEVENING SCHOLARSHIP APPLICANTS

FROM SRI LANKA (2016-17 COHORT)

For ease of reference the information has been set out in categories you requested (gender, place of residence, universities applied for and courses) with the relevant numbers of applicants (eligible, shortlisted for interview and selected and confirmed) tabulated for each category (numbers highlighted in blue).

As noted above, information on candidates' ethnicity (as opposed to citizenship) is not collected as part of the Chevening application process.

'Eligible' applicants do not include those which were judged ineligible by reason of being incomplete, duplicates of an application already made, demonstrating insufficient work experience or command of English or being from a UK citizen (UK citizens are not eligible for Chevening scholarships).
