### Introductory note

**This introductory note does not form a part of the notice.**

Viridor Waste Management Limited operate Tatchells landfill site under Permit EPR ZP3035PH and the site specific closure plan dated 2008. The area of the site to which this partial surrender applies has not been landfilled.

To the West and North West, adjacent to the site, is Tatchells Closed Landfill and former transfer station. Tatchells Landfill EPR/ZP3035PH ceased to accept non-hazardous waste in April 2008. Whilst the area which is the subject of this partial surrender was within the landfill permit boundary, no landfill related activities were undertaken and no waste was deposited within this area and there has been no associated infrastructure – leachate management, gas utilisation. The area has been used only for access to the landfill and associated landfill infrastructure Therefore this is considered to be a low risk surrender.
