AUDITOR'S REPORT

(see notes 81 to 86)

made in accordance with section 36 of the Trade Union and Labour Relations (Consolidation) Act 1992.

1. In the opinion of the auditors or auditor do the accounts they have audited and which are contained in this return give a true and fair view of the matters to which they relate? (See section 36(1) and (2) of the 1992 Act and notes 83 and 84)

YES/NO-

If "No" please explain below.

- 2. Have the auditors or auditor carried out such investigations in the preparation of their audit report as will enable them to form an opinion as to:
 - (a) whether the trade union has kept proper accounting records in accordance with section 28 of the 1992 Act;
 - (b) whether it has maintained a satisfactory system of control over its transactions in accordance with the requirements of that section; and
 - (c) whether the accounts to which the report relates agree with the accounting records? (See section 36(3) of the 1992 Act, set out in note 83)

YES/NO-

If "No" please explain below.

- 3. Are the auditors or auditor of the opinion that the union has complied with section 28 of the 1992 Act and has:
 - (a) kept proper accounting records with respect to its transactions and its assets and liabilities: and
 - (b) established and maintained a satisfactory system of control of its accounting records, its cash holding and all its receipts and remittances.

(See section 36(4) of the 1992 Act set out in rule 83)

YES/NO

If "No" please explain below.

4. Please set out a copy of the report made by the auditors or auditor to the union on the accounts to which this AR21 relates. The report is to set out the basis upon which the audit has been conducted and/or such other statement as the auditor considers appropriate. Such a statement may be provided as a separate document. (See note 85)

Trustees' Report

Dear Members,

The PPU Trustees present their Annual Report.

MEMBERSHIP AND RECRUITMENT

As at Year End 2016, the audited membership stood at 530. Membership numbers continue to hold up well. There have been a small number of leavers for a variety of reasons, including retirements and disquiet over industrial action. To balance this, there have been a number of new joiners. This audited membership level somewhat dispels the myth that members are returning to BALPA in significant numbers.

The PPU recruitment campaign 'Drive For 75' was successful in increasing membership and raising the profile of the union. The PPU does not currently enjoy the same opportunity as BALPA for meeting potential members. Historically, it has been word-of-mouth recruitment that has been most successful in attracting new members as other channels are restricted. The Board wish to encourage members to continue to get involved in expanding the Membership, and building our Union. For example, by taking the opportunity to talk with their colleagues away from the flight deck about the PPU, its aims, and the benefits of membership.

To help re-energise the recruitment process, the Board will look to producing a fact sheet for the Membership to share with their colleagues, and will explore Cadet and New Joiner discount schemes. These bold statements are intended to take the 'Drive To 95', and cement the PPU position as the overwhelming majority pilot union in Virgin Atlantic.

The PPU held eight GMMs in July. While these were well attended, it has been proven that the Webinar format is more efficient, both in terms of cost and of members participating. The Board are intending to launch Webinar events for non-members as a recruitment tool alongside the measures listed above.

FINANCIAL PERFORMANCE

The PPU annual accounts are detailed elsewhere in this return; however the overall financial position continues to be robust.

The cash at bank figure in the audited accounts as at 31/12/16 is £371,073. It should be noted that the PPU enjoys significant resources in other areas. For example, the aggregated Members' Legal Protection is circa £100M, and the Union itself has significant legal protection.

There are currently two Board members who are signatories to the PPU bank account. Small, day-to-day, transactions may be authorised by the PPU Admin Officer.

RECOGNITION AND INDUSTRIAL RELATIONS

We are now entering our third year of seeking a Voluntary Recognition Agreement with the Company. The Board has balloted our Members to define their mandate on no less than five occasions now. The support for a Sole VRA is overwhelming, and remains undiminished over time. The Board has gone to great lengths to explain its position to the Company, including why a Single Table Bargaining Unit would not work for us, and would be against our Members' wishes.

In the past, the Company has stated that it is only willing to negotiate with one union. This view has evolved into a stand of negotiating with one body. Now, the Company favour the formation of an 'all-party' committee of pilot representatives. This is contrary to the mandate given to the Board, and is unacceptable to the vast majority of our members.

Trustees' Report (Continued)

Sadly, the lack of progress with, and change of direction by, the Company has left us in the same position at the end of 2016 as the start of the year. The Board have attended meetings with the Company that have been attended by ACAS and BALPA. These, sadly, amounted to little more that a statement of position. ACAS withdrew from further meetings as it stated it could no longer be a part of a process to derecognise a certified union (BALPA). The PPU position has always been made clear from the outset: sole recognition as the majority pilot union in Virgin Atlantic. An STBU solution does not meet our Members' mandate; our dispute is with the Company, not BALPA.

ASOS

The ballot from 16th December 2016 mandated that the PPU is now undertaking ASOS in pursuit of a sole recognition agreement with Virgin Atlantic (VA). That has also been the mandate of the preceding four ballots of members since January 2015.

ASOS is the withdrawal of Goodwill; effectively a Work To Rule conducted by PPU members. Whilst its duration is open-ended, the Board are actively seeking avenues of progress towards fulfilling the Members' mandate. Lines of communication with all parties remain open, and the Board are working tirelessly towards finding a solution to end this dispute.

TRUSTEES

After four years in post, it is time to bid farewell to Trustee Captain Tim Robinson as he reaches the regulated end of his tenure.

On behalf of the Board and Membership, we would like to extend the warmest of welcomes to our new Trustee, Captain Andy Slater. Andy is a current Airbus captain who brings with him a wealth of experience not only as a line operator, but also as a previous member of the JRG. Both Trustees can be reached at the dedicated email address:

CONCLUSION

The PPU continues as a viable, functioning representative body in strong financial health representing the vast majority of Virgin Atlantic pilots.

NOTE OF THANKS

After four years in post, it is time to bid farewell to Trustee Captain Tim Robinson as he reaches the regulated end of his tenure. Tim has been in post since the inception of the PPU, and he has diligently served the Membership to an unimpeachable standard, displaying an integrity and commitment of the highest order. Tim has always promoted the values of the PPU, and, where necessary, has not hesitated robustly to defend and safeguard them. On behalf of the PPU Board and Membership, we formally thank Tim for his sterling effort over the past four years, and hope he will continue to be involved with the PPU at the most prominent level.

Independent Auditors' report to the members of The PPU

We have audited the financial statements of The PPU for the year ended 31 December 2016 which comprise the Income and Expenditure Account, the Balance Sheet and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102.

This report is made solely to the Union's members, as a body. Our audit work has been undertaken so that we might state to the Union's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to any party other than the Union and Union's members as a body, for our audit work, for this report, or for the opinion we have formed.

Respective responsibilities of officers and auditor

The Union's officers are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. The Trade Union and Labour Relations (Consolidation) Act 1992 (Amended) requires the officers of the Union to;

- keep proper accounting records which give a true and fair view of the state of affairs of The PPU and explain its transactions;
- establish and maintain a satisfactory system of control of the accounting records, cash holdings and all the receipts and remittances;
- prepare an annual return for the Certification Officer giving a true and fair view of the revenue account and balance sheet; and
- · provide members of The PPU with a statement of income and expenditure for the year.

We have been appointed as auditor under section 33 of the Trade Union and Labour Relations (Consolidation) Act 1992 (Amended) and report in accordance with section 36 of that Act.

Our Responsibility is to audit and express opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Union's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the officers; and the overall presentation of the financial statements. In addition we read all the financial and non-financial information in the Annual Accounts to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on the financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the Union's affairs as at 31 December 2016 and of its transactions for the year then ended; and
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Trade Union and Labour Relations (Consolidation) Act 1992 (Amended).

Independent Auditors' Report to the members of the PPU (continued)

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Trade Union and Labour Relations (Consolidation) Act 1992 (Amended) requires us to report to you if, in our opinion:

- proper accounting records have not been kept;
- a satisfactory system of control over its accounting records, cash holdings and receipts and remittances has not been maintained; or
- · the financial statements are not in agreement with the accounting records and returns.

Notes to the financial statements For the year ended 31 December 2016

1 Accounting Policies

1.1 Accounting Convention

These financial statements have been prepared in accordance with Section 1a of the FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102").

The financial statements have been prepared under the historical cost convention.

1.2 Going concern

After making enquiries, the board has a reasonable expectation that the Union has adequate resources to continue its activities for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the financial statements

1.3 Subscriptions

Subscriptions represent amounts receivable in respect of membership subscriptions and legal insurance subscriptions levied to members.

1.4 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.5 Financial instruments

The PPU has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

The financial instruments are recognised in the balance sheet when the Union becomes party to the contractual provisions of the instrument.

Basic financial assets

Basic financial assets, which include trade and other receivables and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest.

Classification of financial liabilities

Basic financial liabilities, including trade payables are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest.

Trade payables are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade payables are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.
