Land at Brede Lane, Sedlescombe, East Sussex.
Planning Application: RR/2016/1837/P

Thank you for your letter of 27 October 2016 enclosing a petition from the residents of Sedlescombe requesting that the Secretary of State call in the above planning application.

I would like to reassure you and the residents of Sedlescombe, that the application is currently under consideration and the views expressed via resident's petition, along with all other relevant information, will be taken into account before the Secretary of State decides whether or not to call-in the application for determination. I hope you will understand that I cannot comment on the matter further, as to do so might prejudice the Secretary of State's position.

Please note that as you have made representations about a planning application which is before the Secretary of State, it may be necessary to make your letter available to a third party should that party make a request for information on representations made to the Secretary of State on the application. Any personal or identifying information will be removed before release.

I will let you know the outcome in due course.

Yours sincerely
