It should be noted that it is not mandatory for British nationals to report incidents to the FCO (or one of its diplomatic missions) so consequently the figures provided cover incidents only where we have offered Consular assistance. We also offer Consular assistance to Commonwealth nationals in non-Commonwealth countries where they do not have any diplomatic or consular representation, and to EU nationals who are otherwise unrepresented. Some of this assistance may be included in the data that we make available.

You may wish to contact the Department for Work and Pensions or the Office of National Statistics for information on your questions 1 and 2.
