Email: [REDACTED]

15 May 2017

Dear [REDACTED]

Thank you for your email of 22 April 2017 in which you requested the following information:

“Which schools in the local authorities listed below have members of the Royal Army, Navy and Air Force visited since September 2015?
How many times have they visited?
What kind of activity were they engaged in on these visits (e.g. recruitment, curriculum related assemblies, careers, activity days, advice or other categories) BIRMINGHAM WALSALL SANDWELL DUDLEY WOLVERHAMPTON..”

I am treating your correspondence as a request for information under the Freedom of Information Act (FOIA) 2000. The Armed Forces do undertake visits to many state and private schools across the UK, but only at the specific invitation of the schools and colleges themselves. The purpose of these visits, agreed with the schools beforehand, range from raising awareness of the Armed Forces and their place in a democratic society, to practical sessions (aligned with the National Curriculum) designed to enhance teamwork, communications and STEM (Science, Technology, Engineering and Mathematics) skills, as well as building interest in the Services. The Armed Forces do not recruit in schools.

A search for the information has now been completed, and I can confirm that the Ministry of Defence holds some of the information within scope of your request, presented in the tables below, broken down by Service.

Under section 16 of FOIA (Advice and Assistance) you may wish to note the following. As part of the Army in Education Outreach programme, the Army has continued to maintain a presence in educational establishments, with the aim of providing advice to young people in Academic Year 9 and above on careers in the Army. Activities include careers presentations; curriculum support activities (such as STEM, preparation for the world of work, mock interviews, and human rights presentations); attendance at Careers Fairs, and Personal Development Activities.

You may also wish to note the list of schools visited by the Royal Air Force may not be a full and accurate reflection of schools visited in the requested areas. This is due to a problem with the Outreach Field Force's recording process in the period prior to April 2016. Also, in the tables presented below you will note reference to Operation X (Op X); this is an interactive, table-top classroom exercise based on a humanitarian mission; the exercise has 3 levels of complexity, which are appropriate for young people aged 14-18 years. Finally, the Interview Skills Workshop (ISW) package enhances student job-seeking skills by means of interview instruction, demonstrations and role-playing.

If you are not satisfied with this response or you wish to complain about any aspect of the handling of your request, then you should contact me in the first instance. If informal resolution is not possible and you are still dissatisfied then you may apply for an independent internal review by contacting the Information Rights Compliance Team, Ground Floor, Zone D, MOD Main Building, Whitehall, SW1A 2HB (e-mail CIO-FOI-IR@mod.uk). Please note that any request for an internal review must be made

within 40 working days of the date on which the attempt to reach informal resolution has come to an end.

If you remain dissatisfied following an internal review, you may take your complaint to the Information Commissioner under the provisions of Section 50 of the Freedom of Information Act. Please note that the Information Commissioner will not investigate your case until the MOD internal review process has been completed. Further details of the role and powers of the Information Commissioner can be found on the Commissioner's website, <http://www.ico.org.uk>.

Yours sincerely,

Defence People Secretariat
