

# MORAY EAST

## OFFSHORE WIND FARM

Moray Offshore Windfarm (East) Limited

Supply Chain Plan

Annex 18 – SDS Skills Report

## SDS Skills Support Report

As referenced in sections 6.2.2 and 6.2.3, the report prepared by Skills Development Scotland, highlights the support required to develop the Scottish offshore wind sector. EDPR/Moray East contributed to the development of this report by providing information to allow the Moray East project to be used as a case study.
