Freedom of Information Act 2000: Contingent labour contracts

Thank you for your Freedom of Information enquiry of 19th June 2017.

You asked for the following information:

"Please can you provide under the Freedom of Information Act a copy of any Call Off Contracts entered into by your organisation with Capita Business Services Limited, Brook Street (UK) Limited and Hays Specialist Recruitment Limited for the provision of services under the Contingent Labour ONE framework (RM960).

For the avoidance of doubt, I am interested in any master agreements signed with Capita, Brook Street and Hays and not agreements for the provision of individual contractors."

I can confirm that HM Treasury does hold some information within the scope of your request.

HM Treasury has entered into contracts with both Capita Business Services Limited and Brook Street (UK) Limited for the provision of services under the Contingent Labour ONE framework (RM960).

In line with HM Government's transparency commitments, details of these contracts are available on Contracts Finder. Public authorities are not required to reissue information that is publically accessible (section 21 of the Freedom of Information Act) but we have included links to this below:
