Date received: 27 February 2014

Date of response: 27 March 2014

Information request

You previously kindly provided data for my work on a children centre needs analysis. I am now working on a locality profile for young people in Croydon aged 13-19. As such are you able to provide latest figures on the number of JSA claimants by Croydon wards for ages 16-19. On your website <http://tabulation-tool.dwp.gov.uk/NESS/BEN/jsa.htm> I have accessed the figures for JSA for August 2013 but this only covers 16-24 so I need this broken down into 16-19 and I assume there are more up-to-date figures available.
