Request for Information

Thank you for your email dated 7 July 2016 requesting information on ICT expenditure at the Homes and Communities Agency (HCA). For ease of reference your request is below.

“Please could you provide me with information about your ICT expenditure, as broken down in the attached template? I have included this template in order to make it easier for you to understand my requirements and provide answers.

I appreciate that you may publish contracts and transparency data, but I was unable to find the information to the level of detail I require in publish sources.

Within the response, please include:

- * Expenditure from all parts of your organisation (central services and business units);*
- * As well as your own organisation, expenditure for any subsidiary organisations that fall within the scope of your accounts; and*
- * Both revenue (or operating) expenditure and capital expenditure*

If you could input the answers in this template and return to me by email as an attachment, this would be much appreciated.”

We have now had an opportunity to investigate your request and are writing to communicate our response. Attached alongside this letter is the information you requested populated onto the template you provided. This information has been provided to you in full, without redactions.

If you have any questions regarding this response or any further queries you can contact us at the following addresses and quote your unique reference number found at the top of this letter:
