

Registered pension scheme - application for certificate of residence - specimen signatures

Why we need this form

If you have been authorised as a third party to apply for a certificate of residence on form APSS146C 'Registered pension scheme - application for certificate of residence - third party authority'. We need you to give us the names and signatures of the people within your organisation who are authorised to make these applications.

This authority will remain effective until:

- you give notification in writing that the person named is no longer empowered to make such claims
- the pension scheme concerned provides written notification of the withdrawal of their authority for your organisation to act on their hehalf

This form can be used for either new authorities for third parties or for changes to the existing signatories for authorised third parties.
