1. Do you consider that Maloff Protect should be available as a Pharmacy medicine?

No . .

Please provide any comments or evidence to support your response:

antimalarials are not normally prescribed alone but with a complete travel health assessment
if its a POM a full travel health assessment as recommended by ISTM so disease which occur in malaria areas
would not be discussed such as yellow fever Dengue etc

2. Do you have any specific comments on the leaflet or the label provided in the public
reclassification report for Maloff Protect?

no

3. Do you have any other comments on the reclassification?

Malaria prophylaxis should never be seen just as taking drugs which are not 100% effective but would include advice about clothing sleeping areas insect repellent etc

4. The MHRA may publish consultation responses. Do you want your response to remain confidential?

. No .

*If partially, please indicate which parts you wish to remain confidential. In line with the Freedom of Information Act 2000, if we receive a request for disclosure of the information we will take full account of your explanation, but we cannot give an assurance that confidentiality can be maintained in all circumstances. Responses to consultation will not normally be released under FOI until the regulatory process is complete.

Responses can be continued onto a separate page if required. This form should be returned by email (reclassification@mhra.gsi.gov.uk) to arrive by 6 April 2017. Contributions received after that date cannot be included in the exercise.
