 Using and sharing your information

The data controller is Natural England, Foundry House, 3 Millsands, Riverside Exchange, Sheffield S3 8NH.

Your information will be stored and processed in accordance with the Data Protection Act 1998. This Act gives you, as an individual, the right to know what data we hold on you, how we use it, with whom we share it and for it to be accurate.

It will be used for administering and analysing applications/agreements under agri-environmental schemes. It will be circulated and discussed in confidence with those persons or organisations helping Natural England to assess and monitor applications/agreements. Some information will be shared with other grant distribution bodies and Government Departments to enable them to detect fraudulent applications/agreements and to co-ordinate the processing of complementary applications/agreements. To do this we may have to discuss applications/agreements with third parties or disclose information about funding decisions.
