

► The Display Flying Handbook is not up to date with the latest Flying Display Regulations (both Military and Civil) and has therefore been removed whilst its content and ownership is reviewed. Generic guidance, that is relevant to both military and civilian Flying Display Directors and Pilots, is available in CAP 403. Any specific questions can be sent to the MAA Flying Display Team at [DSA-MAA-Display@mod.gov.uk](mailto:DSA-MAA-Display@mod.gov.uk) ◀
