**Claimant:** Mr J Giertl

**Respondent:** Lynx Dry Cleaning Supplies Ltd

## JUDGMENT ON RECONSIDERATION APPLICATION

The Claimant's application by email sent on 2 August 2017 for reconsideration of the Judgment sent to the parties on 20 July 2017 is refused.

### REASONS

1. The reasons for the Tribunal's Judgment on the application for reconsideration are set out herein only to the extent that the Tribunal considers it necessary to do so in order to explain its decision, and only to the extent that it is proportionate to do so.
2. The Respondent has not put forward any grounds which would justify a reconsideration. The written reasons for the Judgment have addressed the case put in the application for the reconsideration and they were considered and dismissed at the hearing. The Respondent simply fails to accept the outcome. These are not adequate grounds for a reconsideration.
3. In summary, the application for reconsideration does not raise any matters which would lead the Judge to consider that there was a reasonable prospect of the original Judgment being varied or revoked.

**Case No: 3200251/2017**

In those circumstances, having regard to the terms of Rule 72(1) of the Employment Tribunals Rules of Procedure 2013, the application for reconsideration is hereby refused.
