Our Reference: FOI2018/02204

Dear [REDACTED],

Thank you for your email dated 12 February 2018. You asked:

I would like please to request information under the freedom of information act with reference to our trusts policy on the decommissioning/sale of used equipment specifically the below points.

We require;

- Details of all equipment sold/disposed of by our trust in the past 3 years (not including vehicles) to include if applicable serial numbers of the fore said equipment. (I appreciate this may be considered manifestly inappropriate due to the potential volume of information however a formal confirmation either confirming or denying that such a list exists and that it does indeed include specifics ie serial numbers shall suffice).

I am treating your email as a request for information in accordance with the Freedom of Information Act 2000 (FOIA). A search for the information has now been completed within the Ministry of Defence (MOD), and I can confirm that information in scope of your request is held.

Please find attached a record of equipment declared surplus to requirement in the last three years. I am withholding names and contact details in accordance with Section 40 (Personal Information) of the FOI Act. Section 40(2) has been applied in order to protect personal information as governed by the Data Protection Act 1998. Section 40 is an absolute exemption and there is therefore no requirement to consider the public interest in making a decision to withhold the information.

If you have any queries regarding the content of this letter, please contact this office in the first instance.

If you wish to complain about the handling of your request, or the content of this response, you can request an independent internal review by contacting the Information Rights Compliance team, Ground Floor, MOD Main Building, Whitehall, SW1A 2HB (e-mail CIO-FOI-IR@mod.uk).

Please note that any request for an internal review should be made within 40 working days of the date of this response.

If you remain dissatisfied following an internal review, you may raise your complaint directly to the Information Commissioner under the provisions of Section 50 of the Freedom of Information Act. Please note that the Information Commissioner will not normally investigate your case until the MOD internal review process has been completed. The Information Commissioner can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. Further details of the role and powers of the Information Commissioner can be found on the Commissioner's website at <https://ico.org.uk/>.

Yours Sincerely,

DE&S Secretariat
