Dear Peter,

I can confirm that you paid for two raccoons in April 2016 as you wanted two raccoons from the next litter, and for myself to rear and keep them until such date until touring with the circus had ended. The raccoons were weaned and hand reared in August 2016 and kept at the centre as you were on tour when they were ready and I didn't think it was right for them to go on tour till after 8 weeks, they spent a summer here seeing lots of people as I myself own a wild life park. I also can confirm that the law was changed in August 2016, I spoke to DEFRA about this they stated that there was no confirmed date it was all word of mouth, I have had no letter confirming anything after speaking to DEFRA. So as I told you in April 2016 there shouldn't be a problem, I hope this sorts the matter out for you.

If I need to be of anymore assistance please don't hesitate to call.

Your Sincerely

p.s. Hows the animals?

Re Raccoons

I have received an email from DPHA disputing the date of acquisition of my two raccoons.

The transfer date they are stating is the 12/12/2016 as you know they came to us on the 5/12/2016 after they were weaned and were able to be transported.

Please could you confirm that these two raccoons were my raccoons from the day they were born and due to the circus being on tour, we wanted them to be hand reared with their mum until such time the circus ended its touring season.

Please could you reply asap.
