COP1E Notes

Guidance notes on completing form COP1E (Supporting information for an application by existing deputy or attorney)

Please read the following notes before completing form COP1E

This form should only be used where:

- You are currently appointed deputy for property and affairs for the person to whom the application relates; or you are an attorney under a registered enduring power of attorney, or lasting power of attorney for property and financial affairs; and
- **for a deputy:** your application relates to the powers and duties set out in the order appointing you as deputy, and you are asking the court to vary those powers;
- **for an attorney:** you need to make a decision concerning the property and affairs of the person to whom the application relates, and the enduring power of attorney or lasting power of attorney instrument does not provide you with the authority to make the decision in question.

This form should not be used for applications to appoint a deputy, applications relating to the appointment and discharge of trustees, applications relating to the registration of enduring or lasting powers of attorney; nor should it be used for any other applications for which there is a specific annex to form COP1 Application form. Please refer to the guidance notes to form COP1.

Completing form COP1E

Please ensure that you provide all relevant information to support your application. Refer to practice direction 9D and guidance note COP GN3 Applications by existing deputies for further guidance.

Please continue on a separate sheet of paper if you need more space to answer a question. Write your name, the name and date of birth of the person to whom the application relates, and the number of the question you are answering.

The court will require the following information on form COP24 Witness statement in support of your application:

- A summary of all capital assets belonging to the person to whom the application relates. Please include money held at the Court Funds Office, savings, investments and any funds held by you as deputy.

- Details, including occupation and the current value, of any property belonging to the person to whom the application relates, and whether you intend to sell the property. Please note that if the property is held jointly then a deputy cannot deal with the sale and you will need to make a separate application to appoint a trustee (see Guidance Note 1 for details)
- The approximate annual income including pensions, social security benefits, dividends from investments and interest from savings.
- The current level of security set by the court and confirmation that all premiums have been paid to date.

You must also enclose with your application either:

- A copy of the current order appointing you as deputy; or
- the registered enduring or lasting power of attorney for property and financial affairs.
